

TIPPED MATCHKING 30 CALIBER (.308") BOAT TAIL RIFLE BULLETS - SIERRA BULLETS TIPPED MATCHKING 30 CALIBER (0.308") 220GR TMK 500/BOX

[Reloading](#) > [Bullets](#) > [Rifle Bullets](#)

SIERRA TIPPED MATCHKING 30 CALIBER (0.308") POLYMER TIPPED BOAT TAIL RIFLE BULLETS Sierra has enhanced a segment of the MatchKing line by adding the acetal resin tip, thus crowning the Tipped MatchKing (TMK) bullet line. The major advantage of adding a tip to the bullet is the reduction of drag, producing a more favorable ballistic coefficient. The Tipped MatchKing (TMK) bullet is an excellent choice for F-Class (F Open) matches, as well as 3-Gun and various other competitions. While they are recognized around the world for record-setting accuracy, MatchKing® and Tipped MatchKing® bullets are not recommended for most hunting applications. Although MatchKing® and Tipped MatchKing® bullets are commonly used for varmint hunting, their design will not provide the same reliable explosive expansion at equivalent velocities in varmints compared to their lightly jacketed Hornet, Blitz or Varminter counterparts.

Attributes

- Name: [SIERRA BULLETS TIPPED MATCHKING 30 CALIBER \(0.308"\) 220GR TMK 500/BOX](#)
- Manufacturer: [SIERRA BULLETS](#)

TIPPED MATCHKING 30 CALIBER (.308") BOAT TAIL RIFLE BULLETS SAFETY INSTRUCTIONS

Introduction

Thank you for choosing the TIPPED MATCHKING 30 CALIBER (.308") BOAT TAIL RIFLE BULLETS by SIERRA BULLETS. This guide provides essential safety instructions to ensure the safe use of this product. It is important to read and understand these guidelines to minimize risks and enhance your shooting experience.

General Safety Guidelines

- Always treat every bullet as if it is loaded.
- Store bullets in a cool, dry place away from heat sources and direct sunlight.
- Keep bullets out of reach of children and unauthorized persons.
- Use appropriate protective equipment, including eye and ear protection, when handling or shooting.
- Do not modify or alter the bullets in any way.
- Follow all local, state, and federal laws regarding the purchase, storage, and use of ammunition.
- Report any unsafe products or accidents to the relevant authorities.
- Check for recall updates on the EU's Safety Gate platform.

Specific Safety Precautions for Use

- Ensure that you are using the correct caliber for your firearm.
- Inspect your firearm before use to ensure it is in good working condition.
- Do not use damaged or corroded bullets.
- Avoid using bullets that have been exposed to moisture or extreme temperatures.
- Do not exceed the recommended load specifications provided by your firearm's manufacturer.
- Be aware of your shooting environment, including the backstop and potential hazards.
- Always ensure that the firearm is pointed in a safe direction when loading or unloading.

Instructions for Installation and Usage

• Installation:

- Use only in firearms specifically designed for .308 caliber ammunition.
- Ensure the firearm is unloaded before inserting bullets.
- Follow the manufacturer's instructions for loading ammunition into your firearm.

• Usage:

- Always wear appropriate protective gear when shooting.
- Maintain a safe distance from others while shooting.
- Follow all range rules and regulations.
- Be aware of your surroundings and ensure a safe shooting environment.
- If you experience any misfires or irregularities, follow the firearm manufacturer's guidelines for safe handling.

Disposal Instructions

- Dispose of used or damaged bullets in accordance with local regulations.
- Do not dispose of bullets in regular household waste.
- Contact local waste management authorities for proper disposal methods.

Contact Information for Further Support

For safety inquiries or further assistance, please refer to the relevant authorities or your local contact point for product safety in the EU.

By following these safety instructions, you can ensure a safer experience while using the TIPPED MATCHKING 30 CALIBER (.308") BOAT TAIL RIFLE BULLETS. Always prioritize safety and responsible handling of ammunition.
