VIRIDIAN CTL CUSTOM 580 LUMEN WEAPON LIGHT FOR GLOCK 17/19/22/23

The popular Glock Standard Frames has a proprietary rail that prevents standard rail-mounted accessories from fitting it. This CTL Custom was designed specifically for the Glock Standard Frames by the expert engineers at Viridian. Viridian has collaborative relationships with the major gun manufacturers allowing for the ultimate custom fits on the custom C Series and also the extensive line of red and green E Series. Nobody has more custom-fit accessories than Viridian and nobody does it better. The CTL Custom for the Glock Standard Frames is a compact 580 lumen light powerhouse — an innovative weapon light, while embracing a refined, compact design and aesthetics for a perfect match. The CTL is corner stone within Viridian's C Series line of high-performance rechargeable accessories, it offers an array of industry-leading features that ensure optimal performance and tactical advantage. CTL CUSTOM 580 LUMEN WEAPON LIGHT FOR GLOCK 17/19/22/23 Safety Instruction Guide

Introduction

Thank you for choosing the CTL Custom 580 Lumen Weapon Light for your Glock firearm. This guide provides essential safety instructions and information to ensure safe use and compliance with EU General Product Safety Regulations (GPSR). Please read this guide thoroughly before using the product.

General Safety Guidelines

- Ensure safe use of the weapon light by following these guidelines:
 - Always treat your weapon as if it is loaded.
 - Keep the weapon light out of reach of children and vulnerable individuals.
 - Do not modify the weapon light or use it for unintended purposes.
 - Regularly inspect the weapon light for signs of damage or wear.
 - Store the weapon light in a cool, dry place when not in use.
 - Follow all local laws and regulations regarding the use of weapon lights.

Specific Safety Precautions for Use

- Before using the CTL Custom Weapon Light, please observe the following precautions:
 - Do not shine the light directly into anyone's eyes, as it may cause temporary blindness or discomfort.
 - Avoid using the weapon light in wet or damp conditions unless specified as waterresistant.
 - Ensure that the weapon light is securely mounted to the firearm before use.
 - Do not use the weapon light while driving or operating machinery.
 - Be aware of your surroundings when using the weapon light to avoid accidents.

Instructions for Installation and Usage

- Follow these steps for safe installation and usage of the CTL Custom Weapon Light:

1. Installation:

- Ensure the firearm is unloaded and pointed in a safe direction.
- Locate the rail on the Glock Standard Frame.
- Slide the CTL Custom Weapon Light onto the rail until it clicks into place.
- Tighten the mounting screw securely to ensure stability.

2. Activation:

- The CTL Custom features automatic activation with INSTANTON.
- To activate, press the activation button located on the side of the weapon light.
- The weapon light has multiple modes; cycle through them by pressing the button again.

3. Battery Maintenance:

- The weapon light is equipped with an internal rechargeable battery.
- Use the included magnetic recharge port for charging.
- Ensure the battery is charged before use, and avoid overcharging.

4. Performance Check:

- Regularly check the performance of the weapon light to ensure it is functioning correctly.
- If the light flickers or dims, recharge the battery.

Disposal Instructions

- Proper disposal of the CTL Custom Weapon Light is essential to protect the environment:
 - Do not dispose of the weapon light in regular household waste.
 - Follow local regulations for the disposal of electronic devices and batteries.
 - Consider recycling options available in your area.

Contact Information for Further Support

- For any safety inquiries or support regarding the CTL Custom Weapon Light, please refer to the product packaging for contact details or visit the manufacturer's website.

Conclusion

Your safety is our priority. By following the guidelines and instructions provided in this manual, you can ensure the safe and effective use of the CTL Custom 580 Lumen Weapon Light. Always prioritize safety and stay informed about the proper handling and maintenance of your equipment.
