Safety Instruction Guide for CTL CUSTOM WEAPON LIGHT FOR RUGER RXM WITH SAFECHARGE

Introduction

Thank you for choosing the CTL Custom Weapon Light for Ruger RXM with SafeCharge. This guide provides essential safety instructions to ensure the safe use of your product, in compliance with the EU General Product Safety Regulation (GPSR). Please read this manual carefully before using the product.

General Safety Guidelines

- Ensure the product is used only for its intended purpose as a weapon light.
- Always follow local laws and regulations regarding the use of weapon lights.
- Keep the product out of reach of children and unauthorized users.
- Regularly inspect the product for any signs of damage or wear.
- If the product is damaged, discontinue use immediately and seek assistance.

Specific Safety Precautions for Use

- Do not expose the weapon light to extreme temperatures or harsh environments, as this may affect its performance.
- Avoid using the product in wet or humid conditions unless it is specifically rated for such use.
- Do not look directly into the light beam to avoid potential eye damage.
- Ensure the weapon light is securely mounted before use to prevent accidental dislodging.
- Always turn off the light when not in use to conserve battery life and prevent accidental activation.

Instructions for Installation and Usage

1. Installation:

- Ensure the firearm is unloaded and pointed in a safe direction before installation.
- Attach the weapon light to the rail of the Ruger RXM by aligning the mounting mechanism with the rail.
- Secure the weapon light by tightening the mounting screws until snug—do not overtighten.

2. Activation:

- The weapon light features ECR InstantOn activation. Ensure the activation switch is easily accessible.
- To turn on the light, simply grip the firearm normally; the light will activate automatically.
- To turn off the light, release your grip or deactivate the switch manually.

3. Battery Replacement:

- The CTL Custom Weapon Light uses a rechargeable battery. Ensure the battery is charged before use.
- To charge the battery, connect the charging port to a suitable power source using the provided charging cable.
- Follow the manufacturer's instructions for charging time and battery care.

4. Usage:

- Use the weapon light in lowlight conditions to enhance visibility.
- Aim the light at your target, ensuring proper firearm handling at all times.
- Practice safe firearm handling techniques while using the weapon light.

Disposal Instructions

- Dispose of the CTL Custom Weapon Light and its components in accordance with local regulations.
- Do not dispose of batteries in regular household waste. Follow local guidelines for battery recycling and disposal.

Contact Information for Further Support

For any questions or concerns regarding the CTL Custom Weapon Light, please contact the manufacturer or your local retailer. Ensure you have the product details available for reference.

Conclusion

By following the safety guidelines and instructions outlined in this manual, you can ensure the safe and effective use of your CTL Custom Weapon Light for Ruger RXM with SafeCharge. Always prioritize safety and responsible use. Thank you for your attention and enjoy your product!
