

AR-15/M16 LOW-MASS RECOIL BUFFER - J P ENTERPRISES LOW-MASS RECOIL BUFFER

[Rifle Parts](#) > [Receiver Parts](#) > [Recoil Parts](#) > [Recoil Buffers](#)

Reduces Recoil Impulse For Precision Competitive Shooting

Lightweight, aluminum alloy buffer reduces the reciprocating mass of the operating system to reduce the overall recoil impulse felt by the shooter. Helps the competitive shooter keep the sights on the target for precise follow-up shot placement and tight groups. Designed for competition rifles with full-length receiver extension tubes and lightweight titanium or aluminum alloy bolt carriers, as well as any conventional mil-spec carrier where reduced mass is desired. Combine with a lightweight carrier to virtually eliminate felt recoil and increase bolt velocity without significantly impairing reliability.

Attributes

- Name: [J P ENTERPRISES LOW-MASS RECOIL BUFFER](#)
- Manufacturer: [J P ENTERPRISES](#)
- Product no.: 452000063
- Mfr. No.: JPLMB
- Weapon type: AR-15
- Delivery weight: 0.113kg
- Shipping height: 33mm
- Shipping width: 33mm
- Shipping length: 170mm
- UPC: 812872020785

AR15/M16 LowMass Recoil Buffer Safety Instructions

Introduction

Thank you for choosing the AR15/M16 LowMass Recoil Buffer by J P Enterprises. This product is designed to enhance your shooting experience by reducing recoil and improving followup shot accuracy. To ensure your safety and the effective use of this product, please read and follow these safety instructions carefully.

General Safety Guidelines

- Ensure that you are familiar with the operation and handling of firearms before using this product.
- Always follow the basic rules of firearm safety:
 - Treat every firearm as if it is loaded.
 - Keep your finger off the trigger until you are ready to shoot.
 - Never point the firearm at anything you do not intend to shoot.
 - Be sure of your target and what lies beyond it.
- Use this product only with compatible firearms as specified in the product description.
- Regularly inspect the recoil buffer for signs of wear or damage before each use.
- Store the recoil buffer and all firearms securely and out of reach of children and unauthorized users.

Specific Safety Precautions for Use

- This product is designed for competition rifles only; it is not recommended for duty weapons.
- Ensure that the recoil buffer is installed correctly before use to avoid malfunction.
- Use only with fulllength receiver extension tubes and lightweight titanium or aluminum alloy bolt carriers.
- Avoid using the recoil buffer in firearms that do not meet the specified compatibility requirements.
- Do not exceed the recommended weight limits of the buffer system, as this may affect performance and safety.
- If you experience any unusual behavior from your firearm while using this product, cease use immediately and consult a qualified gunsmith.

Instructions for Installation and Usage

1. Installation:

- Ensure your firearm is unloaded and pointed in a safe direction.
- Remove the existing buffer from your firearm's receiver extension tube.
- Carefully install the AR15/M16 LowMass Recoil Buffer into the receiver extension tube, ensuring it is seated properly.
- Reassemble your firearm according to the manufacturer's instructions.

2. Usage:

- Once installed, perform a function check to ensure the firearm operates correctly.
- Use the firearm in a safe and controlled environment, adhering to all local laws and regulations.
- Monitor the performance of the recoil buffer during use. If you notice any issues, stop using the product immediately.

Disposal Instructions

- Dispose of the recoil buffer responsibly. If it is damaged or no longer usable, follow local regulations for disposal of metal products.

- Do not dispose of the recoil buffer in regular household waste. Check with local waste management services for proper disposal methods.

Contact Information for Further Support

For any inquiries, concerns, or reports regarding product safety, please refer to the appropriate EU contact point or relevant authorities. It is important to stay informed about recalls and safety alerts through official channels.

By following these safety instructions, you can ensure a safer and more enjoyable shooting experience with your AR15/M16 LowMass Recoil Buffer. Always prioritize safety and responsible firearm use.
