

# MK III HANDGUARD ARCA-SWISS ADAPTER - J P ENTERPRISES 10" ARCA SWISS HANDGUARD ADAPTER

[Rifle Parts](#) > [Forend & Handguard Parts](#) > [Handguard & Rail Accessories](#) > [Accessory Rails](#)

There are few sports more dynamic and rapidly evolving than precision rifle. That drive for even a sliver of competitive edge is what carried the Arca-Swiss Quick Release System from the photography into the shooting world. This system allows for infinite adjustability on the fly for bipod and tripod adapters, surpassing standard Picatinny-style attachments. This 15" adapter mounts directly to the 6:00 position on any of our XL or XXL JP MK III Hand Guards with the supplied 10-32 screws. The V-block shape will also mate well to many other hand guard brands with alternate hardware. Features: Easy on-the-fly attachment and adjustment of popular Arca-Swiss bipod and tripod systems V-bloc design provides easy compatibility with JP MK III and non-JP hand guards Used alone, adapter provides stable platform for supported shooting positions and eliminates rotation caused by round hand guards Sturdy 6061-TG aircraft-grade aluminum construction Resilient Type III hard coat anodized finish

# Safety Instruction Guide for MK III Handguard ArcaSwiss Adapter

## Introduction

Thank you for choosing the MK III Handguard ArcaSwiss Adapter by J P Enterprises. This guide provides essential safety instructions and usage guidelines to ensure that you can use this product safely and effectively. Please read this guide thoroughly before installation and use.

## General Safety Guidelines

- Ensure that the adapter is compatible with your handguard and equipment before use.
- Inspect the adapter for any visible damage or defects before each use.
- Always follow the manufacturer's instructions for installation and usage.
- Store the adapter in a dry, safe place when not in use, away from children and pets.
- Report any unsafe products or accidents to the appropriate authorities.

## Specific Safety Precautions for Use

- Do not exceed the weight limit specified by the manufacturer for the adapter.
- Ensure that all screws are tightened securely before use to prevent accidents.
- Avoid using the adapter in extreme weather conditions that may affect its performance.
- Use the adapter only for its intended purpose, which is to mount bipods and tripods.
- Be cautious of sharp edges on the adapter during handling and installation.

## Instructions for Installation and Usage

### 1. Installation

- Gather all necessary tools, including a compatible bipod or tripod, and the supplied 1032 screws.
- Position the adapter at the 6:00 position on your JP MK III Handguard.
- Align the holes of the adapter with the corresponding holes on the handguard.
- Insert the supplied screws and tighten them securely using an appropriate tool.
- Ensure that the adapter is firmly attached and does not move.

### 2. Usage

- To attach a bipod or tripod, align the mounting mechanism with the adapter.
- Follow the manufacturer's instructions for the specific bipod or tripod being used.
- Make adjustments to achieve the desired position, ensuring that the equipment is stable.
- Regularly check the attachment for security during use.

## Disposal Instructions

- Dispose of the adapter in accordance with local regulations for metal products.
- Do not dispose of the adapter in regular household waste.
- Consider recycling the adapter if possible to minimize environmental impact.

## Contact Information for Further Support

For any questions or concerns regarding the MK III Handguard ArcaSwiss Adapter, please refer to the manufacturer's website or contact their customer service for assistance.

By following these safety instructions and guidelines, you can ensure a safe and effective experience with your MK III Handguard ArcaSwiss Adapter. Thank you for your attention to safety, and enjoy your shooting experience!
