

# DAVE REAMERS FLOATING REAMER HOLDER - MANSON PRECISION #2 MORSE TAPER SHANK

[Gunsmith Tools](#) > [Barrel Tools](#) > [Barrel Chamfering Accessories](#)

## Keeps Reamer Aligned To Barrel For Accurate Chambers

Allows the reamer to remain parallel with the bore, while compensating for up to .030" of misalignment or wear between tailstock and chuck. Wide bearing surface, plus hardened and ground components give smooth movement with no cam-to-center lockup. Low mass, aluminum head lets the tool quickly respond to the slightest out of roundness. Hardened steel bushing eliminates wear in the reamer socket. Features interchangeable shanks; holder is reamed to accept shank with #2 Jacobs taper. Furnished with 1/2" diameter straight shank.

## Attributes

- Name: [MANSON PRECISION #2 MORSE TAPER SHANK](#)
- Manufacturer: [MANSON PRECISION](#)
- Product no.: 513054002
- Mfr. No.: NONE
- Delivery weight: 0.159kg

# DAVE REAMERS FLOATING REAMER HOLDER MANSON PRECISION #2 MORSE TAPER SHANK Safety Instruction Guide

## Introduction

Thank you for choosing the DAVE REAMERS FLOATING REAMER HOLDER MANSON PRECISION #2 MORSE TAPER SHANK. This guide provides essential safety instructions to ensure proper and safe usage of the product. Please read this guide carefully before using the tool.

## General Safety Guidelines

- Always wear appropriate personal protective equipment (PPE) such as safety glasses and gloves when using the reamer holder.
- Ensure that the work area is clean, welllit, and free from hazards.
- Keep the tool and its components out of reach of children and unauthorized users.
- Regularly inspect the tool for any signs of wear or damage before use.
- Follow all instructions provided in this manual to prevent accidents and injuries.
- Report any unsafe conditions or accidents to the appropriate authorities.

## Specific Safety Precautions for Use

- Ensure the reamer is securely attached to the holder before use to prevent accidents.
- Do not exceed the recommended torque specifications; excessive force can lead to tool failure.
- Avoid using the tool if it shows signs of misalignment or wear beyond the specified limits.
- Do not operate the tool if you are fatigued or under the influence of drugs or alcohol.
- Always maintain a firm grip on the tool and keep hands away from moving parts during operation.
- Use the tool only for its intended purpose; misuse can lead to injury or damage.

## Instructions for Installation and Usage

### 1. Installation

- Ensure that the reamer holder is compatible with the reamer you are using.
- Insert the #2 Jacobs taper shank into the holder until it is fully seated.
- Tighten the locking mechanism securely to prevent slippage during use.
- Check that the reamer is parallel to the bore and properly aligned.

### 2. Usage

- Position the tool in the tailstock or chuck, ensuring it is stable and secure.
- Adjust the tool to compensate for any misalignment or wear, up to .030".
- Operate the tool at the recommended speed for optimal performance.
- Monitor the tool during operation for any signs of overheating or unusual noises.

### 3. PostUse Care

- After use, clean the tool to remove any debris or residue.
- Inspect the tool for any signs of damage or wear and address any issues immediately.
- Store the tool in a dry, secure location to prevent damage.

## **Disposal Instructions**

- Dispose of the tool and its components in accordance with local regulations.
- Do not dispose of the tool in regular household waste.
- Consider recycling the materials when possible to minimize environmental impact.

## **Contact Information for Further Support**

For any inquiries or concerns regarding the DAVE REAMERS FLOATING REAMER HOLDER, please refer to the manufacturer's contact information provided with your product packaging or visit the manufacturer's website.

## **Conclusion**

By following these safety instructions, you can ensure a safe and effective experience while using the DAVE REAMERS FLOATING REAMER HOLDER MANSON PRECISION #2 MORSE TAPER SHANK. Always prioritize safety and adhere to the guidelines outlined in this manual. Thank you for your attention and safe usage!
