M10 COMBO TOOL Safety Instructions

Introduction

Thank you for choosing the M10 COMBO TOOL. This tool serves as a cleaning rod handle and is designed for disassembly and reassembly of the bolt and gas lock screw. It is essential to follow safety guidelines to ensure safe and effective use of this product.

General Safety Guidelines

- Ensure that the M10 COMBO TOOL is used only for its intended purpose.
- Always read and understand the product instructions before use.
- Keep the tool out of reach of children and vulnerable individuals.
- Inspect the tool before each use for any signs of damage or wear.
- Use appropriate personal protective equipment (PPE) such as gloves and safety glasses when using the tool.
- Report any unsafe conditions or product malfunctions to the relevant authorities.

Specific Safety Precautions for Use

- **Avoid Injury:** Ensure that the tool is used in a stable and secure environment to prevent accidents.
- **Proper Handling:** Always handle the tool with care and avoid using excessive force during operation.
- **Disassembly and Reassembly:** Follow the manufacturer's instructions closely when disassembling or reassembling components to avoid damage or injury.
- **Maintenance:** Regularly clean and maintain the tool to ensure optimal performance and safety.
- **Storage:** Store the tool in a dry place, away from direct sunlight and moisture, to prevent deterioration.

Instructions for Installation and Usage

1. Preparation:

- Gather all necessary components and ensure you are in a welllit, safe area.
- Wear appropriate PPE to protect yourself during use.

2. Using the M10 COMBO TOOL:

- To use the cleaning rod handle, securely attach it to the rod before cleaning.
- For disassembly, insert the tool into the bolt assembly and turn counterclockwise to loosen.
- For reassembly, align the components and turn clockwise until securely fastened.
- Always ensure that all parts are properly secured before use.

3. PostUse Care:

- After use, clean the tool to remove any debris or residue.
- Store the tool in its designated location to prevent loss or damage.

Disposal Instructions

- Dispose of the M10 COMBO TOOL responsibly in accordance with local waste management regulations.
- If the tool is no longer functional, consider recycling it if possible to minimize environmental impact.

Contact Information for Further Support

For any inquiries regarding safety or product performance, please reach out to your local authorized dealer or manufacturer.

By adhering to these safety instructions, you can ensure a safe and effective experience with the M10 COMBO TOOL. Thank you for your attention to these guidelines.
