# Safety Instruction Guide for AR15 ERGO Picatinny Direct Thread Falcon Rail

## Introduction

Thank you for purchasing the AR15 ERGO Picatinny Direct Thread Falcon Rail. This product is designed to enhance your shooting experience by providing a secure mounting solution for various accessories. To ensure safe and effective use of this product, please read and follow the safety instructions outlined in this guide.

## General Safety Guidelines

- Always ensure that the firearm is unloaded before installing or adjusting any accessories.
- Inspect the rail and accessories for any damage before use. Do not use damaged products.
- Ensure that all mounting hardware is securely tightened before use to prevent accessories from becoming loose.
- Keep this product out of reach of children and unauthorized users.
- Follow all local laws and regulations regarding firearm accessories and modifications.
- Report any unsafe conditions or incidents related to this product to the appropriate authorities.

## Specific Safety Precautions for Use

- **Hazard Identification:**

- Improper installation may result in accessories detaching during use, which can lead to accidents.
- The product may contain sharp edges; handle with care to avoid cuts.
- Ensure that the mounting surface is clean and free from debris to maintain secure attachment.

- **Avoiding Hazards:**

- Always doublecheck that the rail is securely attached to the handguard before use.
- Do not exceed the manufacturer's weight limit for mounted accessories.
- Use only compatible accessories with the Picatinny rail system.

- **AgeSpecific Warnings:**

- This product is intended for adult users. Keep away from children.
- If you are inexperienced with firearm accessories, seek guidance from a knowledgeable adult or professional.

## Instructions for Installation and Usage

- **Installation Steps:**

1. Ensure that the firearm is unloaded and pointed in a safe direction.
2. Remove any existing accessories from the handguard if necessary.
3. Align the rail with the desired position on the handguard.
4. Insert the mounting bolts through the rail and into the handguard.
5. Tighten the bolts securely using the appropriate tools. Do not overtighten, as this may damage the rail or handguard.
6. Attach any desired accessories to the rail, ensuring compatibility with the Picatinny system.

- **Usage Instructions:**

- Regularly check the tightness of the mounting bolts and the condition of the rail before each use.
- If using the rail with accessories, ensure that they are securely attached and do not obstruct the operation of the firearm.
- Follow the manufacturer's guidelines for any accessories mounted on the rail.

## **Disposal Instructions**

- Dispose of the product in accordance with local regulations for metal recycling.
- Ensure that any accessories or components are also disposed of properly.
- If you are unsure how to dispose of the product, contact your local waste management authority for guidance.

## **Contact Information for Further Support**

For any inquiries regarding safety, installation, or product usage, please refer to the contact information provided with your product packaging or visit the manufacturer's website for assistance.

Thank you for prioritizing safety and responsible usage with your AR15 ERGO Picatinny Direct Thread Falcon Rail. Enjoy your shooting experience!
