

TROPHY 1X25 TRS-25 3 MOA RED DOT-CR2032 BATTERY - TRS-25 3 MOA RED DOT SIGHT

[Optics & Mounting](#) > [Electronic Sights](#) > [Red Dot Sights](#)

Single-Focus Sighting Plane Gets You On Target Fast

Non-magnifying (1x) sight delivers the benefits of fast, accurate, red dot sighting, plus the durability of waterproof, fogproof, shockproof Bushnell-quality optics. Bright red 3 MOA dot provides precise, both-eyes-open shooting to get you on target fast without sacrificing accuracy. Eleven position rheostat allows the shooter to match the brightness of the dot to specific shooting conditions. Easy-to-grasp control knob to adjust brightness. AmberBright™ multi-coated optics provide a clear, crisp sight picture; unlimited eye relief helps you get on target fast. Adaptable for rifle, shotgun, or handgun use. Available with built-in low-profile Picatinny/Weaver-style (Lo-Pro) mount.

TROPHY 1X25 TRS25 3 MOA RED DOT SIGHT

Safety Instruction Guide

Introduction

Thank you for choosing the TROPHY 1X25 TRS25 3 MOA Red Dot Sight. This guide provides essential safety instructions to ensure the safe use of your product. Please read this guide carefully before using the sight to maximize your experience and ensure your safety.

General Safety Guidelines

- Ensure that the product is used only for its intended purpose.
- Always handle the sight with care to avoid damage.
- Keep the sight out of reach of children and vulnerable individuals.
- Regularly check the sight for any signs of damage or wear.
- Report any unsafe conditions or accidents to the relevant authorities.
- Stay updated on recall notices and safety updates through official platforms.

Specific Safety Precautions for Use

- **Eye Protection:** Always wear appropriate eye protection when using this sight.
- **Environment:** Use the sight in a safe and controlled environment, free from distractions.
- **Storage:** Store the sight in a dry place to prevent moisture damage.
- **Battery Safety:**
 - Use only the specified CR2032 lithium battery.
 - Do not attempt to recharge nonrechargeable batteries.
 - Dispose of used batteries according to local regulations.
- **Adjustment Caution:** Make adjustments to the sight only when it is not in use to avoid accidental discharge.

Instructions for Installation and Usage

1. Installation:

- Ensure the firearm is unloaded before installing the sight.
- Attach the sight to the firearm using the builtin lowprofile Picatinny/Weaverstyle mount.
- Tighten the mount securely to prevent movement during use.

2. Battery Installation:

- Open the battery compartment located on the sight.
- Insert the CR2032 lithium battery with the positive (+) side facing up.
- Close the battery compartment securely.

3. Adjusting Brightness:

- Use the easytograsp control knob to adjust the brightness of the red dot.
- Select the appropriate brightness level based on your shooting conditions.

4. Using the Sight:

- Align the red dot with your target while keeping both eyes open.
- Maintain a stable shooting position for accuracy.

- Practice regularly to become familiar with the sight's operation.

5. Cleaning and Maintenance:

- Use a soft, dry cloth to clean the lens.
- Avoid using harsh chemicals or abrasive materials that may scratch the lens.

Disposal Instructions

- Dispose of the sight and its components responsibly.
- Follow local regulations for the disposal of electronic devices and batteries.
- Do not dispose of the sight in regular household waste.

Contact Information for Further Support

For any inquiries or concerns regarding the TROPHY 1X25 TRS25 3 MOA Red Dot Sight, please refer to the manufacturer's contact information provided with your product packaging.

By following these safety instructions, you can ensure a safe and enjoyable experience with your TROPHY 1X25 TRS25 3 MOA Red Dot Sight. Thank you for your attention to these important safety guidelines.
