

# BROWNING HI-POWER COMBAT GRIPS - NAVIDREX BROWNING HI-POWER ROSEWOOD GRIPS

[Handgun Parts](#) > [Grip Parts](#) > [Grips](#)

## Thin Combat Checkered Or Palmwell Models Give Improved Comfort And Secure Grip

Available in two different styles. Thin are much thinner than the factory grips so it's easier for smaller hands to hold, and work great for concealed carry. Available only in long wearing, genuine Westinghouse Micarta®. Palmwell Checkered features thumb and palmwells that spread recoil energy over a greater area for increased shooting comfort. All models feature full-coverage, hand-cut, 18 lpi checkering for a secure, no-slip grip and are relieved for new, factory ambidextrous safeties.

## Attributes

- Name: [NAVIDREX BROWNING HI-POWER ROSEWOOD GRIPS](#)

## BROWNING HIPOWER ROSEWOOD GRIPS Safety Instructions

### Introduction

Thank you for choosing the BROWNING HIPOWER COMBAT GRIPS by NAVIDREX. These grips are designed to enhance your shooting experience with improved comfort and control. This safety instruction guide provides essential information to ensure safe use and maintenance of your grips in compliance with the EU General Product Safety Regulation (GPSR).

### General Safety Guidelines

- Ensure that the grips are compatible with your Browning High Power firearm before installation.
- Always handle your firearm safely and responsibly.
- Keep the grips and firearm out of reach of children and unauthorized users.
- Regularly inspect the grips for wear and damage. Do not use if they are compromised.
- Follow all local laws and regulations regarding firearm accessories.

### Specific Safety Precautions for Use

- **Compatibility:** These grips are specifically designed for the Browning High Power and its clones. Ensure proper fit before use.
- **Installation:** Follow the installation instructions carefully to avoid any improper fitting that may affect safety.
- **Handling:** When handling your firearm, always treat it as if it is loaded, even if you believe it is not.
- **Shooting Environment:** Always shoot in a safe and controlled environment, using appropriate protective gear.
- **Recoil Management:** The palmwell checkered design helps distribute recoil energy. Ensure a proper grip to maximize comfort and control.

### Instructions for Installation and Usage

#### 1. Installation:

- Unload your firearm completely before beginning the installation.
- Remove the existing grips by unscrewing them from the firearm.
- Align the new BROWNING HIPOWER COMBAT GRIPS with the grip frame.
- Secure the grips using the provided screws, ensuring they are tightened adequately but not overtightened to avoid damage.
- Check that the grips are firmly attached and do not move.

#### 2. Usage:

- Grip the firearm firmly while aiming. The checkered surface provides a secure hold.
- Practice proper shooting stance and technique to enhance control and accuracy.
- Regularly clean the grips with a soft cloth to maintain their appearance and functionality.

### Disposal Instructions

- Dispose of any damaged grips in a manner that ensures they cannot be reused or accessed by unauthorized individuals.

- Follow local regulations for the disposal of firearm accessories.

## **Contact Information for Further Support**

For any inquiries regarding the safety or performance of your BROWNING HIPOWER COMBAT GRIPS, please consult the manufacturer or your local retailer for assistance.

Thank you for prioritizing safety and enjoying your shooting experience with the BROWNING HIPOWER COMBAT GRIPS. Always stay informed about safety practices and regulations.
