

1911 GOVERNMENT BULL BARRELS - NOWLIN GOVT. MODEL 5" BULL BARREL NON-RAMPED

[Handgun Parts](#) > [Barrel Parts](#) > [Barrels](#)

These super match-grade barrels are not "drop in," so the gunsmith can precisely fit them to a specific slide/receiver pair for the tightest lockup and best accuracy results. They come short chambered, so reaming to achieve correct headspace is required, as is fitting of the hood, lugs and feet. But the special geometry of Nowlin's pre-cut top lugs typically requires only minor fitting to achieve maximum lug engagement. Groove and bore tolerances are held to an amazing .0002" via state-of-the-art electro-discharge cathode machining (ECM), and rifling is ultra-smooth, uniform and precise. Smooth-cut rifling boosts velocity, while the unique angled edge on the driving band gives a better gas seal for reduced fouling with all types of bullets, plus longer barrel life. Puts extra weight where you need it most, right at the muzzle for controlling recoil and helping get a faster follow-up shot. Keeps the front sight down and on target. Replaces bushing and increases lockup area for improved accuracy.

Attributes

- Name: [NOWLIN GOVT. MODEL 5" BULL BARREL NON-RAMPED](#)
- Manufacturer: [NOWLIN](#)
- Product no.: 654000061
- Mfr. No.: SB-5BBG-45
- Barrel Length: 5"
- Cartridge: 45 Auto (ACP)
- Finish: Stainless Steel
- Model: Government
- Style: Non-Ramp
- Weapon type: 1911
- Delivery weight: 0.113kg
- Shipping height: 6mm
- Shipping width: 127mm
- Shipping length: 229mm
- UPC: 085382302447

Safety Instruction Guide for 1911 Government Bull Barrels

Introduction

Thank you for choosing the 1911 Government Bull Barrels manufactured by Nowlin. This guide provides essential safety instructions and guidelines to ensure the safe use of your new barrel. Please read this document carefully before installation and use.

General Safety Guidelines

- **Product Safety:** Ensure safe use of this product by following all instructions. This barrel is designed for specific firearms and should only be used as intended.
- **Enhanced Recalls:** Stay informed about any recalls or safety notices related to this product. If a recall is issued, follow the instructions provided for returns or remedies.
- **Online Shopping:** If purchased online, ensure the seller complies with safety requirements. Verify that the product is genuine and in good condition upon receipt.
- **Special Consumer Focus:** This product is intended for adult users. Keep it out of reach of children and vulnerable individuals.
- **EU Contact Point:** For safety inquiries, refer to the manufacturer's contact information provided with your purchase.
- **Rapid Alerts:** Check the EU's Safety Gate platform for updates on unsafe products.

Specific Safety Precautions for Use

- **Hazard Identification:**
 - Improper installation or use may lead to firearm malfunction, which can result in serious injury or death.
 - Ensure that the barrel is compatible with your specific 1911 model.
- **Avoiding Hazards:**
 - Always consult a qualified gunsmith for installation.
 - Do not attempt to modify the barrel or firearm without proper knowledge and tools.
 - Ensure the firearm is unloaded before installation or maintenance.
 - Use appropriate protective gear, including safety glasses, when working with firearms.
- **Age Restrictions:**
 - This product is intended for use by individuals 18 years and older. Ensure that minors are supervised and educated about firearm safety.

Instructions for Installation and Usage

- **Installation Instructions:**
 1. Ensure the firearm is completely unloaded.
 2. Remove the existing barrel from the slide/receiver.
 3. Carefully fit the Nowlin barrel into the slide, ensuring proper alignment.
 4. Check for fitment; minor adjustments may be necessary for optimal engagement.
 5. Secure the barrel in place and reassemble the firearm according to the manufacturer's

specifications.

6. Have the installation inspected by a qualified gunsmith to ensure safety and functionality.

- **Usage Instructions:**

- Always follow firearm safety rules, including:
- Treat all firearms as if they are loaded.
- Never point the firearm at anything you do not intend to shoot.
- Keep your finger off the trigger until ready to shoot.
- Regularly inspect the barrel for wear and tear.
- Clean the barrel according to the manufacturer's recommendations to maintain performance and safety.

Disposal Instructions

- Dispose of the barrel in accordance with local regulations.
- If the barrel is damaged or no longer in use, do not throw it in regular trash. Contact local authorities or a licensed disposal facility for guidance on safe disposal methods.

Contact Information for Further Support

For any questions or concerns regarding the 1911 Government Bull Barrels, please refer to the manufacturer's contact information provided with your product. Ensure you have the product details available for reference.

Thank you for your attention to these safety guidelines. Your safety and the safety of others is paramount. Enjoy your new barrel responsibly.
