# Safety Instruction Guide for 45ACP S/S 1911 PREFIT MATCH GRADE BARREL 4.25"

## Introduction

Thank you for choosing the 45ACP S/S 1911 PREFIT MATCH GRADE BARREL. This guide provides important safety information and instructions for the proper use and installation of your barrel. Please read this document carefully to ensure safe and effective use of the product.

## General Safety Guidelines

- Ensure that the product is used only in accordance with the manufacturer's instructions.
- Always handle firearms and firearm components with care to prevent accidents.
- Keep the barrel and all firearm components out of reach of children and unauthorized users.
- Regularly inspect the barrel for any signs of damage or wear before use.
- In case of any concerns regarding the safety or performance of the product, discontinue use immediately and seek professional advice.

## Specific Safety Precautions for Use

- Only use the barrel with firearms that are compatible with the 45ACP cartridge.
- Ensure that the firearm is unloaded before installation or maintenance.
- Wear appropriate protective gear, including safety glasses and gloves, during installation.
- Be aware of your surroundings and ensure a safe environment while handling the firearm.
- Do not attempt to modify the barrel or use it in a manner not intended by the manufacturer.

## Instructions for Installation and Usage

### 1. Preparation

- Gather all necessary tools and components, including the barrel, bushing, barrel link, and pin.
- Ensure that your workspace is clean and free of distractions.

### 2. Installation Steps

- Ensure that the firearm is completely unloaded.
- Remove the existing barrel from the firearm according to the manufacturer's instructions.
- Take the prefitted Nowlin barrel and align it with the slide of the firearm.
- Insert the barrel link into the barrel and attach it to the frame.
- Install the stainless steel bushing and secure it in place.
- Use the hardened, oversized pin to secure the link properly.
- Check the alignment and fit of the barrel, ensuring that there is minimal movement.

### 3. PostInstallation Checks

- After installation, ensure that all components are secure.
- Perform a function check to verify that the firearm operates correctly with the new barrel.
- If any issues arise, consult a qualified gunsmith for assistance.

## Disposal Instructions

- Dispose of any packaging materials in accordance with local regulations.
- If the barrel becomes damaged or is no longer usable, follow your local guidelines for the disposal of

firearm components.

- Do not dispose of the barrel in regular household waste. Check for specific disposal facilities or programs for hazardous materials.

## **Contact Information for Further Support**

For any questions or concerns regarding the safety and use of the 45ACP S/S 1911 PREFIT MATCH GRADE BARREL, please consult the manufacturer or a qualified firearms professional. It is important to ensure that all inquiries are directed to knowledgeable sources to maintain safety and compliance with regulations.

Thank you for your attention to these safety instructions. Enjoy your shooting experience responsibly!
