# **Safety Instruction Guide for 45ACP S/S 1911 PREFIT MATCH GRADE BARREL 4.25" RAMPED NOWLIN**

## **Introduction**

Thank you for choosing the 45ACP S/S 1911 PreFit Match Grade Barrel. This product is designed to enhance the performance of your 1911 Auto firearm. It is important to follow the safety guidelines and installation instructions provided in this manual to ensure safe and effective use.

## **General Safety Guidelines**

- Always treat every firearm as if it is loaded.
- Store firearms securely and out of reach of children.
- Always wear appropriate safety gear, including eye and ear protection, when using firearms.
- Be aware of your surroundings and ensure you have a safe backstop when firing.
- Never point a firearm at anything you do not intend to shoot.
- Follow all local laws and regulations regarding firearm ownership and usage.
- Regularly inspect your firearm and its components for wear and damage.

## **Specific Safety Precautions for Use**

- Ensure that the barrel is compatible with your specific model of 1911 Auto before installation.
- Do not attempt to modify the barrel or any of its components.
- If you experience any malfunctions or irregularities while using the firearm, cease use immediately and consult a qualified gunsmith.
- Keep the barrel and firearm clean and wellmaintained to ensure optimal performance.
- Use only factorystandard ammunition that is recommended for your firearm.

## **Instructions for Installation and Usage**

### **1. Preparation**

- Ensure the firearm is unloaded and the chamber is clear.
- Gather necessary tools, including a bushing wrench, barrel link pin, and any other tools specified in your firearm's manual.

### **2. Installation Steps**

- Remove the existing barrel from your 1911 Auto following the manufacturer's instructions.
- Install the new Nowlin barrel by fitting it into the slide.
- Align the prefitted hood, top lugs, and bottom feet for a proper fit.
- Insert the barrel link and pin as per the included instructions.
- Ensure that the barrel is securely in place and operates smoothly.

### **3. Testing**

- After installation, conduct a function check to ensure proper operation.
- Fire a few test rounds in a safe and controlled environment to confirm accuracy and performance.

### **4. Usage**

- Always follow safe handling practices when using your firearm.
- Regularly check the barrel and other components for any signs of wear or damage.

## Disposal Instructions

- Dispose of any packaging materials in accordance with local waste management regulations.
- If the barrel needs to be disposed of due to damage or wear, consult local guidelines for hazardous waste disposal.
- Do not dispose of firearms or firearm components in regular trash.

## Contact Information for Further Support

For any questions or concerns regarding the safety and usage of your 45ACP S/S 1911 PreFit Match Grade Barrel, please consult a qualified firearms dealer or gunsmith. Additionally, you can refer to the EU Safety Gate platform for information on product recalls and safety updates.

Thank you for prioritizing safety and compliance while using your new barrel. Enjoy enhanced performance with your 1911 Auto!
