# Safety Instruction Guide for 40S&W S/S 1911 PreFit Match Grade Barrel 5" Ramped

## Introduction

Thank you for choosing the 40S&W S/S 1911 PreFit Match Grade Barrel. This guide provides essential safety information and instructions to ensure the safe installation and use of your new barrel. Please read this guide thoroughly before proceeding with installation or use.

## General Safety Guidelines

- Ensure that the barrel is compatible with your specific 1911 model.
- Always handle firearms with care and follow basic safety rules.
- Store the barrel in a secure location, out of reach of children and unauthorized users.
- Regularly inspect the barrel for any signs of wear or damage before use.
- Be aware of your local laws and regulations regarding firearm modifications.

## Specific Safety Precautions for Use

- Use only factory standard components and accessories with the barrel.
- Avoid using ammunition that exceeds the specifications for the 40 S&W cartridge.
- Always wear appropriate safety gear, including eye and ear protection, when using firearms.
- Do not attempt to modify the barrel or any of its components.
- Do not use the barrel if it shows any signs of damage or if it has been subjected to excessive heat or pressure.

## Instructions for Installation and Usage

### Installation Instructions

1. **Preparation:** Ensure you have all necessary tools and components, including the prefitted stainless steel bushing, barrel link, and pin.
2. **Disassemble the Firearm:** Safely disassemble your 1911 according to the manufacturer's instructions.
3. **Remove the Old Barrel:** Carefully remove the existing barrel from the firearm.
4. **Install the New Barrel:**
  - Insert the prefitted barrel into the slide, ensuring it aligns properly with the frame.
  - Attach the stainless steel bushing, ensuring it is securely in place.
  - Install the barrel link and pin, ensuring they fit snugly without excessive force.
5. **Reassemble the Firearm:** Follow the manufacturer's instructions to reassemble your firearm.
6. **Check Functionality:** Before using the firearm, check its functionality and ensure that the barrel is securely installed.

### Usage Instructions

- Always ensure the firearm is pointed in a safe direction during use.
- Load only appropriate 40 S&W ammunition into the firearm.
- After firing, inspect the barrel for any signs of damage or fouling.
- Clean the barrel regularly to maintain optimal performance.

## Disposal Instructions

- Dispose of any damaged or unusable components in accordance with local regulations.
- Do not dispose of the barrel in regular household waste. Instead, contact local authorities for proper

disposal methods.

## **Contact Information for Further Support**

For any safety inquiries or further assistance regarding the 40S&W S/S 1911 PreFit Match Grade Barrel, please refer to the appropriate contact points in your region. Always ensure you have the latest information regarding safety recalls or product updates.

## **Conclusion**

By following these safety guidelines and instructions, you can ensure the safe and effective use of your 40S&W S/S 1911 PreFit Match Grade Barrel. Always prioritize safety and compliance with local regulations when handling firearms. Thank you for your attention to these important safety measures.
