# **Safety Instruction Guide for 45ACP S/S 1911 PREFIT MATCH GRADE BARREL 6" NONRAMPED NOWLIN .45 ACP**

## **Introduction**

Thank you for choosing the 45ACP S/S 1911 PreFit Match Grade Barrel. This guide provides essential safety instructions to ensure the safe use and installation of your barrel. Please read this guide carefully before use.

## **General Safety Guidelines**

- Ensure safe handling of all firearms and firearm components.
- Always treat every firearm as if it is loaded.
- Follow all local and national laws regarding firearm ownership and use.
- Keep firearms out of reach of children and unauthorized users.
- Regularly inspect your barrel and firearm for signs of wear or damage.
- Report any unsafe products or incidents to the relevant authorities.

## **Specific Safety Precautions for Use**

- Only use this barrel with compatible 1911 Auto models.
- Ensure that the firearm is unloaded before installation.
- Use appropriate protective gear, such as safety glasses and gloves, during installation.
- Avoid using excessive force during installation to prevent damage to the barrel or firearm.
- Do not attempt to modify or alter the barrel in any way.
- Always follow the manufacturer's instructions for installation and usage.

## **Instructions for Installation and Usage**

### **1. Preparation**

- Gather all necessary tools and safety equipment.
- Ensure a clean and welllit workspace.
- Verify that your 1911 Auto is unloaded.

### **2. Installation Steps**

- Remove the existing barrel from your 1911 Auto according to the manufacturer's instructions.
- Inspect the new barrel for any signs of damage or defects before installation.
- Install the prefitted stainless steel bushing onto the new barrel.
- Attach the barrel link and pin, ensuring they fit securely.
- Place the new barrel into the slide, aligning the prefitted hood, top lugs, and bottom feet for a close fit.
- Reassemble the firearm, following the manufacturer's instructions.

### **3. PostInstallation Checks**

- Ensure that the barrel is securely installed and functions correctly.
- Conduct a dry fire test to check for proper alignment and fit.
- Inspect the firearm for any abnormalities before use.

### **4. Usage**

- Always use factory standard ammunition compatible with the .45 ACP cartridge.
- Regularly clean and maintain the barrel and firearm to ensure optimal performance.
- If you experience any malfunctions or issues, cease use immediately and consult a qualified gunsmith.

## Disposal Instructions

- Dispose of packaging materials in accordance with local waste management regulations.
- If the barrel or any component is damaged beyond repair, contact a qualified professional for proper disposal.

## Contact Information for Further Support

For any inquiries regarding safety or installation, please refer to the manufacturer or local authorities. Ensure you have the product details ready for a more efficient response.

Thank you for prioritizing safety while using your 45ACP S/S 1911 PreFit Match Grade Barrel. Your responsible handling and maintenance contribute to a safer environment for all.
