

TAURUS 709 SLIM STEEL MAGAZINES 9MM - PRO MAG TAURUS 709 SLIM MAGAZINE 10-RD STEEL BLUE 9MM

[Magazines](#) > [Handgun Magazines](#) > [Magazines](#)

A Range of Magazine Capacities for Your Taurus 709 Slim

Looking to bump up your on-board round count for that Taurus 709 Slim? These aftermarket magazines have you covered, thanks to their durable, all-steel construction, allowing you to get more trigger time in at the range and carry more rounds in your everyday-carry kit. The Taurus 709 Slim steel magazine is designed for use with 9mm cartridges only and have a magazine body made from heat-treated carbon steel. The magazine is treated with a black-oxide finish that combats corrosion and premature wear. Inside each Taurus 709 Slim steel magazine, you'll find a spring formed from heat-treated chrome-silicon wire, as well as an injection-molded follower. The magazines are available with a 7-round, 8-round and a 10-round capacity and are made in the USA.

Safety Instruction Guide for TAURUS 709 SLIM STEEL MAGAZINES 9MM

Introduction

Thank you for choosing the TAURUS 709 Slim Steel Magazines. This guide provides essential safety instructions and guidelines to ensure safe usage and handling of your magazine. Please read this document carefully before using the product.

General Safety Guidelines

- Ensure that the magazine is compatible with the Taurus 709 Slim model before use.
- Always handle magazines with care, treating them as if they are loaded.
- Store magazines in a secure location, away from children and unauthorized users.
- Inspect magazines regularly for signs of wear, damage, or corrosion.
- Never exceed the specified capacity of the magazine to avoid malfunctions.

Specific Safety Precautions for Use

- Use only 9mm Luger cartridges with this magazine.
- Do not attempt to modify or alter the magazine in any way.
- Ensure that the magazine is properly seated in the firearm before use.
- Avoid exposing the magazine to extreme temperatures or moisture.
- When loading or unloading the magazine, do so in a safe and controlled environment.
- If the magazine fails to feed properly, cease use and inspect for obstructions or damage.

Instructions for Installation and Usage

1. Loading the Magazine:

- Hold the magazine with the feed lip facing upwards.
- Insert the first round at the back of the magazine and press down until it clicks into place.
- Continue adding rounds, pressing each one down until the magazine is fully loaded.

2. Inserting the Magazine into the Firearm:

- Ensure that the firearm is pointed in a safe direction and the safety is engaged.
- Align the magazine with the magazine well of the firearm.
- Push the magazine firmly until it clicks into place.

3. Removing the Magazine:

- Ensure the firearm is pointed in a safe direction and the safety is engaged.
- Press the magazine release button while simultaneously pulling the magazine out of the firearm.

Disposal Instructions

- Dispose of the magazine in accordance with local regulations.
- If the magazine is damaged or no longer functional, do not attempt to repair it. Instead, dispose of it properly to prevent accidental use.

Contact Information for Further Support

For any inquiries regarding safety or product support, please refer to the contact information provided with your purchase. Always ensure that you are following the latest safety guidelines and regulations.

By following these safety instructions, you can ensure a safe and enjoyable experience with your TAURUS 709 Slim Steel Magazines. Thank you for your attention to safety.
