

RP200 RIFLE BLACK BASE RECOIL PAD - PACHMAYR .5" MEDIUM BLACK STIPPLE FACE

[Shooting Accessories](#) > [Recoil Parts](#) > [Recoil Pads](#) > [Universal](#)

Protect Shoulders From The Heaviest Recoil; Easily Ground For Proper Fit

Get a significant reduction in felt recoil, and a non-slip surface that keeps the gun butt in place on your shoulder. Long the industry standard, Pachmayr pads use specially designed internal ribbing to gradually absorb the kick and protect your shoulder. A variety of faces, chosen to match the application, make certain your gun will mount easily and hold tightly. Screw hole spacings and the taper of the pad s toe vary with pad size to allow proper fitting to a wide variety of gun stocks. High grade rubber grinds/sands to shape easily for a professional fit. Stippled face grips clothing, prevents rifle movement during recoil. Solid color base preferred by many.

RP200 Rifle Black Base Recoil Pad Safety Instructions

Introduction

Thank you for choosing the RP200 Rifle Black Base Recoil Pad by Pachmayr. This product is designed to enhance your shooting experience by reducing felt recoil and providing a nonslip surface for better gun control. It is important to follow the safety guidelines outlined in this manual to ensure safe and effective use of the recoil pad.

General Safety Guidelines

- Always handle firearms with care and follow all safety protocols.
- Ensure that the recoil pad is compatible with your firearm before installation.
- Regularly inspect the recoil pad for signs of wear or damage.
- Store the recoil pad in a cool, dry place away from direct sunlight.
- Keep the recoil pad out of reach of children and vulnerable individuals.

Specific Safety Precautions for Use

- **Installation:** Only install the recoil pad on firearms that are designed to accommodate it. Ensure that the pad is securely attached before use.
- **Usage:** Always maintain a firm grip on your firearm when shooting. The recoil pad is designed to reduce felt recoil but does not eliminate it.
- **Clothing:** Be aware that the stippled surface may grip clothing. Ensure that your clothing does not interfere with the proper mounting of the firearm.
- **Shooting Position:** Use the firearm in a stable shooting position to maximize control and minimize movement during recoil.

Instructions for Installation and Usage

1. Preparation:

- Ensure that the firearm is unloaded and pointed in a safe direction.
- Gather necessary tools for installation (e.g., screwdriver).

2. Installation:

- Remove the existing recoil pad from the firearm if applicable.
- Align the RP200 recoil pad with the stock of the firearm.
- Securely attach the recoil pad using the provided screws, ensuring proper alignment and fit.
- Check screw hole spacings and taper to ensure a snug fit.

3. Usage:

- Before shooting, ensure that the recoil pad is properly mounted and secure.
- Position the firearm against your shoulder, ensuring that the pad is in contact with your body.
- Maintain a firm grip on the firearm and be prepared for recoil.

4. PostUse Care:

- After use, clean the recoil pad with a damp cloth to remove any dirt or debris.
- Inspect the pad for any signs of damage or wear. Replace if necessary.

Disposal Instructions

- Dispose of the recoil pad in accordance with local regulations.
- If the recoil pad is damaged or no longer usable, consider recycling options for rubber materials if available.

Contact Information for Further Support

For any safety inquiries or concerns regarding the RP200 Rifle Black Base Recoil Pad, please contact your local distributor or visit the manufacturer's website for further assistance.

Conclusion

By following these safety instructions, you can ensure a safe and enjoyable experience with your RP200 Rifle Black Base Recoil Pad. Always prioritize safety when handling firearms and be aware of your surroundings. Thank you for choosing Pachmayr products.
