# TRIOUS TRAPS 92S TRAP Safety Instruction Guide

## Introduction

Thank you for choosing the TRIUS TRAPS 92S TRAP. This guide provides essential safety instructions and guidelines to ensure a safe and enjoyable experience while using the trap. Please read this manual carefully before use.

## General Safety Guidelines

- Always ensure that the area around the trap is clear of people and obstacles before operation.
- Use the trap only in designated shooting ranges or safe environments.
- Keep the trap out of reach of children and unauthorized users.
- Always wear appropriate eye and ear protection when shooting.
- Do not modify the trap in any way. Any modifications may result in unsafe operation.
- Regularly inspect the trap for damage or wear. Do not use a damaged trap.
- Be aware of your surroundings and ensure that no one is in the line of fire.

## Specific Safety Precautions for Use

- Ensure that the trap is set up on a stable and level surface to prevent tipping.
- Always follow the manufacturer's instructions for operation.
- Do not attempt to load or adjust the trap while it is in motion.
- Only use clay targets that are compatible with the TRIUS TRAPS 92S TRAP.
- Avoid placing hands or any objects near the throwing arm when the trap is in operation.
- Ensure that the pedal is functioning correctly and is not obstructed before use.
- If the trap jams or malfunctions, stop using it immediately and consult the troubleshooting section of the manual.

## Instructions for Installation and Usage

### 1. Setting Up the Trap

- Choose a level and stable surface for setup.
- Unfold the trap and ensure all parts are securely in place.
- Attach the throwing arm according to the manufacturer's instructions.

### 2. Loading the Trap

- Place clay targets on the throwing arm without applying tension.
- Ensure that the targets are properly seated in the holder.

### 3. Operating the Trap

- Step on the pedal to apply tension to the throwing arm.
- Release the pedal to throw the clay target in one smooth motion.
- Always be in a safe shooting position before activating the trap.

### 4. PostUse Care

- After use, ensure the trap is in a safe position.
- Store the trap in a dry place, away from direct sunlight and moisture.

## Disposal Instructions

- Dispose of the TRIUS TRAPS 92S TRAP in accordance with local regulations.
- Do not dispose of the trap in regular household waste.
- For further disposal guidance, consult local waste management authorities.

## Contact Information for Further Support

For any inquiries regarding safety or product support, please refer to the manufacturer's contact details provided in the product packaging or on the official website.

By following these safety guidelines and instructions, you can ensure a safe and enjoyable experience with your TRIUS TRAPS 92S TRAP. Thank you for your attention to safety.
