

# GRIP EXTENDER FOR GLOCK® - PACHMAYR GRIP EXTENDER FOR GLOCK MID & FS 17/18/19/22/23/31/35/37

[Magazines](#) > [Handgun Magazines](#) > [Magazine Parts](#) > [Magazine Extension](#)

The Pachmayr Glock® Grip Extender ensures that owners of short-frame Glock® pistols can enhance their shooting ability with a simple extension that allows them to obtain a more-secure grip on their pistol. The extender is designed to mimic the shape and style of Glock® pistol frames and can be easily installed. Like the pistol frames for which they're designed, the grip extensions are made from tough polymer and ship in packs of two. Extenders are available for the Glock® G17, G19, G22, G23, G24, G25, G26, G27, G31, G32, G33, G34, G39, G42 and G43.

# Safety Instruction Guide for Pachmayr Grip Extender for Glock®

## Introduction

Thank you for choosing the Pachmayr Grip Extender for your Glock® pistol. This guide provides essential safety instructions to ensure the safe and effective use of your product. Please read this guide carefully before installation and usage.

## General Safety Guidelines

- Always ensure that your firearm is unloaded before attaching or removing the grip extender.
- Inspect the grip extender for any visible damage before use. Do not use if damaged.
- Keep the grip extender out of reach of children and unauthorized users.
- Use the grip extender only with compatible Glock® models as specified in the product description.
- Do not use the grip extender for any purpose other than enhancing grip on your Glock® pistol.

## Specific Safety Precautions for Use

- Ensure a proper fit: The grip extender is designed specifically for shortframe Glock® models. Verify compatibility with your specific model.
- Avoid excessive force: When installing the grip extender, do not use excessive force, as this may damage both the extender and the firearm.
- Regularly check for wear: Periodically inspect the grip extender for any signs of wear or damage. Replace if necessary.
- Do not modify the grip extender: Altering the grip extender may compromise its effectiveness and safety.
- Follow local laws and regulations: Ensure compliance with all local laws regarding firearm accessories.

## Instructions for Installation and Usage

### 1. Preparation:

- Make sure your Glock® pistol is unloaded and pointed in a safe direction.
- Gather necessary tools if required for installation (usually not needed).

### 2. Installation:

- Align the grip extender with the base of the pistol grip.
- Firmly press the grip extender onto the grip until it clicks into place.
- Ensure that the grip extender is securely attached and does not wobble.

### 3. Usage:

- Hold the pistol by the grip extender to ensure a secure grip.
- Practice handling your firearm to become accustomed to the new grip feel.
- Always maintain safe firearm handling practices while using the grip extender.

### 4. Removal (if necessary):

- Ensure the firearm is unloaded.
- Gently pull the grip extender away from the grip to detach it.

## **Disposal Instructions**

- Dispose of the grip extender responsibly. Check local regulations for proper disposal methods for polymer materials.
- Do not throw the grip extender in regular household waste if local laws specify otherwise.

## **Contact Information for Further Support**

For any safety inquiries or further assistance regarding the Pachmayr Grip Extender, please refer to the manufacturer's contact information provided with your product packaging or visit the official website.

## **Conclusion**

Following these safety instructions will help ensure a safe and enjoyable experience with your Pachmayr Grip Extender. Always prioritize safety when handling firearms and accessories. Thank you for your commitment to responsible firearm ownership.
