Safety Instruction Guide for AR15/M16 Steel Charging Handle

Introduction

Thank you for choosing the POWER CUSTOM AR15/M16 Steel Charging Handle. This guide provides essential safety instructions and guidelines to ensure safe and effective use of the product. Please read this document carefully before installation and use.

General Safety Guidelines

- Ensure you are familiar with the operation of your AR15/M16 rifle before installing or using the charging handle.
- Always follow your firearm's manufacturer guidelines and safety protocols.
- Store the charging handle in a secure location away from children and unauthorized users.
- Inspect the charging handle regularly for any signs of wear, damage, or deformation. Do not use if damaged.
- Report any unsafe products or accidents to the appropriate authorities.

Specific Safety Precautions for Use

- Use the charging handle only with compatible AR15/M16 rifles.
- Avoid using excessive force when operating the charging handle to prevent injury or damage.
- Always keep the firearm pointed in a safe direction during installation and operation.
- Ensure the firearm is unloaded before handling or installing the charging handle.
- Do not attempt to modify the charging handle or use it for purposes other than intended.

Instructions for Installation and Usage

Installation Steps

1. **Ensure Safety:** Make sure the firearm is unloaded and pointed in a safe direction.
2. **Remove Old Charging Handle:** If applicable, remove the existing charging handle by pulling back the bolt carrier group and lifting it out.
3. **Insert New Charging Handle:** Align the new steel charging handle with the bolt carrier group and slide it into place.
4. **Check Operation:** Ensure the charging handle moves freely and engages properly with the bolt carrier group.
5. **Test Functionality:** After installation, test the charging handle to ensure it operates smoothly without obstruction.

Usage Instructions

- To operate the charging handle, grasp the extended latch firmly and pull backward to charge the rifle.
- Release the latch to allow the bolt carrier group to return to its forward position.
- Practice proper firearm handling techniques at all times.

Disposal Instructions

- Dispose of the charging handle in accordance with local regulations regarding metal waste.
- Ensure that the charging handle is rendered unusable before disposal to prevent unauthorized use.
