

# SAF-T-TRAINERS DUMMY ROUNDS - .17 HMR, ORANGE, QTY 10

[Gunsmith Tools & Supplies](#) > [General Gunsmith Tools](#) > [Cartridge Dummies](#)

## Brightly Colored "Dummies" For Training Exercises

Brightly colored plastic and a different "feel" makes sure you won't confuse these for live rounds. Popular with many departments and agencies for use in Immediate Action training for just that reason. These do not duplicate weight and balance of loaded rounds or function-testing dummies.

## Attributes

- Name: [.17 HMR, ORANGE, QTY 10](#)

# SAFTTRAINERS DUMMY ROUNDS .17 HMR Safety Instruction Guide

## Introduction

Thank you for choosing SAFTTRAINERS DUMMY ROUNDS .17 HMR. These brightly colored plastic rounds are designed to provide a safe training experience, ensuring that they are easily distinguishable from live ammunition. This guide will help you understand the safety precautions, usage instructions, and disposal methods to ensure your safety and compliance with EU regulations.

## General Safety Guidelines

- Always treat all dummy rounds as if they were live ammunition.
- Store dummy rounds in a secure location, out of reach of children and unauthorized users.
- Regularly check for any signs of wear or damage to the rounds.
- Do not use dummy rounds in any live firearm operations.
- Report any concerns about product safety to the relevant authorities.

## Specific Safety Precautions for Use

- Ensure that you are in a safe environment when using dummy rounds for training.
- Use dummy rounds only in controlled training settings, supervised by qualified personnel.
- Keep dummy rounds away from heat sources and direct sunlight to prevent damage to the plastic.
- Do not attempt to modify or alter the dummy rounds in any way.
- Be aware that these rounds do not replicate the weight or balance of live ammunition.

## Instructions for Installation and Usage

### 1. Preparation:

- Ensure the training area is clear of any distractions and hazards.
- Confirm that all participants are aware that dummy rounds are being used.

### 2. Loading:

- Load the dummy rounds into the firearm or training device in accordance with the manufacturer's instructions.
- Only load the number of rounds needed for the training session.

### 3. Training:

- Conduct training exercises as planned, ensuring all safety protocols are followed.
- Monitor participants closely to ensure proper handling of the dummy rounds.

### 4. PostUse:

- After training, unload all dummy rounds and store them safely.
- Inspect the rounds for any damage before storing them.

## Disposal Instructions

- Dispose of any damaged or wornout dummy rounds in accordance with local waste disposal regulations.
- Do not dispose of dummy rounds in regular household waste.

- Consult local authorities for guidance on proper disposal methods for plastic products.

## **Contact Information for Further Support**

For any questions or concerns regarding the SAFTTRAINERS DUMMY ROUNDS .17 HMR, please refer to the product packaging for contact information or consult the manufacturer's website for support resources.

By following these safety instructions, you can ensure a safe and effective training experience with SAFTTRAINERS DUMMY ROUNDS .17 HMR. Thank you for your commitment to safety.
