

# MATCHMASTER COMPETITION SEATER DIES - 300 NORMA MAGNUM SEATER DIE

[Reloading](#) > [Reloading Dies](#) > [Rifle Dies](#)

What sets the MatchMaster seating die apart from the competition is our bullet seating window with bullet retaining system. Simply place the bullet in the window and raise the case into the die to seat the bullet. No more smashed fingers or misaligned bullets! Couple this with a micrometer adjustable, free-floating, self-centering bullet seating stem and you have the easiest, most accurate bullet seating die on the market. MICROMETER ADJUSTABLE SEATER FREE FLOATING/SELF-CENTERING BULLET SEATING SYSTEM BULLET LOADING WINDOW WITH BULLET RETAINING SYSTEM

# MATCHMASTER COMPETITION SEATER DIES 300 NORMA MAGNUM SEATER DIE Safety Instructions

## Introduction

Thank you for purchasing the MatchMaster Competition Seater Die for 300 Norma Magnum. This die is designed to provide precision and ease in bullet seating. To ensure your safety and the effective use of this product, please read and follow these safety instructions carefully.

## General Safety Guidelines

### 1. Product Safety:

- Always ensure the die is used according to the manufacturer's instructions to avoid any risks.
- Do not use the die for purposes other than intended.

### 2. Enhanced Recalls:

- Stay informed about any recalls or safety notices related to this product. Check the EU Safety Gate platform for updates.

### 3. Online Shopping:

- If purchased online, ensure that the retailer complies with EU safety regulations.

### 4. Special Consumer Focus:

- Keep the die and all related components out of reach of children and vulnerable individuals.

### 5. EU Contact Point:

- For any safety inquiries, ensure you have access to a contact point within the EU.

### 6. Rapid Alerts:

- Be aware that updates on unsafe products are available through the Safety Gate system.

## Specific Safety Precautions for Use

- Always wear appropriate safety gear, including safety glasses and gloves, when using the die.
- Ensure that the workspace is clean and free from obstructions before starting.
- Inspect the die and all components for any signs of damage before use.
- Do not attempt to modify or alter the die in any way.
- Keep fingers clear of the bullet seating window and mechanism during operation to avoid injury.
- Only use bullets that are compatible with the 300 Norma Magnum specifications.
- Ensure that the die is securely mounted and stable during use to prevent accidents.

## Instructions for Installation and Usage

### Installation

### **1. Mounting the Die:**

- Securely mount the MatchMaster Competition Seater Die in a reloading press according to the manufacturer's instructions.
- Ensure that the die is tightened properly to prevent movement during use.

### **2. Setting Up:**

- Insert the bullet seating stem into the die and adjust the micrometer to the desired depth for bullet seating.
- Ensure the bullet retaining system is functioning properly by checking for any obstructions.

## **Usage**

### **1. Loading Bullets:**

- Place the bullet into the bullet loading window.
- Ensure that the bullet is properly seated in the window before raising the case.

### **2. Seating the Bullet:**

- Raise the case into the die slowly and steadily to seat the bullet.
- Avoid sudden movements to prevent misalignment or injury.

### **3. PostUse Care:**

- After use, clean the die and remove any debris or residue.
- Store the die in a safe and dry place, away from moisture and extreme temperatures.

## **Disposal Instructions**

- Dispose of any packaging materials in accordance with local regulations.
- If the die or its components are damaged beyond repair, follow local guidelines for disposal of metal and plastic materials.
- Do not dispose of the die in regular household waste if it is still functional; consider donating or recycling.

## **Contact Information for Further Support**

For any further inquiries or support, please refer to the product packaging or the retailer from whom you purchased the MatchMaster Competition Seater Die. They will provide you with the necessary contact information for assistance.

By following these safety instructions, you can ensure a safe and effective reloading experience with your MatchMaster Competition Seater Die. Thank you for your attention to safety and compliance. Happy reloading!
