

# **Sinclair Nylon Pistol Brushes - SINCLAIR INTERNATIONAL NYLON PISTOL BORE BRUSH, 10MM/40/41 CALIBER, 8-32M**

[Gun Cleaning & Chemicals](#) > [Brushes & Bore Snakes](#) > [Bore Brushes](#)

Sinclair bronze and nylon bore brushes are manufactured significantly larger than bore diameter to fit your barrel properly and have a closed loop on the end. Many other brushes are undersized and don't do an adequate job of scrubbing the barrel. Our nylon bore brushes have extremely stiff, heavy bristles which provide excellent scrubbing action in your rifles bore. Ammonia and oil based cleaners will not "eat" or dissolve these bristles as they do bronze brushes. The nylon pistol brushes are about 1" shorter than the rifle brushes. Brushes except 17 caliber and 20 caliber are standard 8-32 male thread.

## **Attributes**

- Name: [SINCLAIR INTERNATIONAL NYLON PISTOL BORE BRUSH, 10MM/40/41 CALIBER, 8-32M](#)
- Manufacturer: [SINCLAIR INTERNATIONAL](#)
- Product no.: 749000099
- Mfr. No.: 01741P
- Caliber: 40/10 mm (.400-.401)
- Delivery weight: 0.005kg
- Shipping width: 83mm
- Shipping length: 146mm

# Sinclair Nylon Pistol Brushes Safety Instructions

## Introduction

Thank you for choosing the Sinclair Nylon Pistol Brushes. These brushes are designed to provide effective cleaning for your firearms while ensuring safe usage. This guide contains important safety information and instructions to help you use the product correctly and safely.

## General Safety Guidelines

- Ensure that the product is used only for its intended purpose, which is cleaning firearms.
- Always handle firearms with care and follow the manufacturer's safety instructions.
- Keep the brushes out of reach of children and vulnerable individuals.
- Inspect the brushes before each use for any signs of wear or damage. Do not use if damaged.
- Store the brushes in a dry place to prevent deterioration.

## Specific Safety Precautions for Use

- Always ensure that the firearm is unloaded before using the brushes.
- Use the brush in a wellventilated area to avoid inhaling any cleaning solvents or chemicals.
- Avoid using excessive force when scrubbing to prevent damage to the barrel or brush.
- Do not use the brushes with abrasive materials or chemicals that could degrade the nylon bristles.
- If you experience any irritation or adverse reaction while using cleaning solvents, discontinue use and seek medical advice.

## Instructions for Installation and Usage

### 1. Preparation:

- Ensure that your firearm is completely unloaded and pointed in a safe direction.
- Gather your cleaning supplies, including the Sinclair Nylon Pistol Brush and suitable cleaning solvent.

### 2. Using the Brush:

- Attach the nylon brush to a cleaning rod with an 832 male thread.
- Apply a small amount of cleaning solvent to the bristles of the brush.
- Insert the brush into the barrel and gently scrub in a backandforth motion.
- Use the closed loop on the end of the brush to maintain control while cleaning.
- After cleaning, remove the brush and clean any excess solvent from the barrel.

### 3. PostUsage:

- Rinse the brush with warm water to remove any remaining cleaning solvent.
- Allow the brush to dry completely before storing it.
- Store the brush in a safe location, away from children and pets.

## Disposal Instructions

- Dispose of used brushes according to local regulations. Do not throw them in regular household waste.
- If the brushes are damaged or no longer usable, consider recycling the materials if possible.

## Contact Information for Further Support

For any safety inquiries or further assistance regarding the Sinclair Nylon Pistol Brushes, please reach out to the designated EU contact point provided by the manufacturer. This contact point can help you with safetyrelated questions or concerns.

## Conclusion

By following these safety instructions, you can ensure a safe and effective cleaning experience with your Sinclair Nylon Pistol Brushes. Always prioritize safety and proper usage to maintain the integrity of your firearm and ensure your wellbeing. Thank you for your attention to these important guidelines.
