

Sinclair Nylon Pistol Brushes - SINCLAIR INTERNATIONAL NYLON PISTOL BORE BRUSH, 22 CALIBER, 8-32M

[Gun Cleaning & Chemicals](#) > [Brushes & Bore Snakes](#) > [Bore Brushes](#)

Sinclair bronze and nylon bore brushes are manufactured significantly larger than bore diameter to fit your barrel properly and have a closed loop on the end. Many other brushes are undersized and don't do an adequate job of scrubbing the barrel. Our nylon bore brushes have extremely stiff, heavy bristles which provide excellent scrubbing action in your rifles bore. Ammonia and oil based cleaners will not "eat" or dissolve these bristles as they do bronze brushes. The nylon pistol brushes are about 1" shorter than the rifle brushes. Brushes except 17 caliber and 20 caliber are standard 8-32 male thread.

Attributes

- Name: [SINCLAIR INTERNATIONAL NYLON PISTOL BORE BRUSH, 22 CALIBER, 8-32M](#)
- Manufacturer: [SINCLAIR INTERNATIONAL](#)
- Product no.: 749000102

Sinclair Nylon Pistol Brushes Safety Instruction Guide

Introduction

Thank you for choosing the Sinclair Nylon Pistol Brushes. This guide provides essential safety instructions and usage information to ensure your safety and the effective performance of the product. Please read this guide carefully before use.

General Safety Guidelines

- Always ensure that the product is used in accordance with the manufacturer's instructions.
- Keep the product out of reach of children and vulnerable individuals.
- Be aware of potential hazards associated with the use of brushes, such as bristle breakage or improper handling.
- Inspect the brushes before use; do not use if damaged.
- Report any unsafe products or accidents to the relevant authorities.

Specific Safety Precautions for Use

- Ensure that the brush is compatible with your firearm's caliber before use.
- Do not use excessive force while scrubbing to avoid damaging the barrel.
- Avoid using the brush with abrasive cleaners that could degrade the bristles.
- Store the brushes in a dry place to prevent moisture damage.
- Use personal protective equipment (PPE) such as gloves and safety glasses if necessary.

Instructions for Installation and Usage

1. Preparation:

- Ensure that the firearm is unloaded and pointed in a safe direction.
- Gather all necessary cleaning supplies, including the Sinclair Nylon Pistol Brush and a suitable cleaning solvent.

2. Using the Brush:

- Select the appropriate caliber brush (22 Caliber for this product).
- Attach the brush to a cleaning rod with an 832 male thread.
- Apply a small amount of cleaning solvent to the bristles.
- Insert the brush into the barrel and scrub gently, applying even pressure.
- Make several passes through the barrel for effective cleaning.

3. PostUse Care:

- After use, rinse the brush with clean water to remove any cleaning solvent.
- Allow the brush to dry completely before storing to prevent bristle degradation.

Disposal Instructions

- Dispose of the product in accordance with local regulations.
- Do not dispose of the brushes in household waste if they are contaminated with hazardous materials.
- Consider recycling the product if possible, following local recycling guidelines.

Contact Information for Further Support

For any safety inquiries or product support, please refer to the manufacturer's contact information provided with your purchase. You can also check for updates and recalls on the EU's Safety Gate platform.

Thank you for prioritizing safety while using the Sinclair Nylon Pistol Brushes. Enjoy your cleaning experience!
