

PARKER HALE STYLE JAGS - DEWEY .416 CAL PARKER HALE JAG (FEMALE THREAD)

[Gun Cleaning & Chemicals](#) > [Cleaning Rods & Accessories](#) > [Cleaning Rod Jags](#)

These jags are wrap style jags with a blunt nose. Jags grip patches tightly. Great for use with J-B or when applying solvent such as Sweet's. Parker Hale style jags are available with male or female threads. Male or Female threads match standard threads for the bore diameter selected. Female style mate with Dewey coated rods. Male style mate with Dewey stainless and other brands with standard cleaning rod threads.

Safety Instruction Guide for PARKER HALE STYLE JAGS DEWEY .416 CAL PARKER HALE JAG (FEMALE THREAD)

Introduction

Thank you for purchasing the PARKER HALE STYLE JAGS DEWEY .416 CAL PARKER HALE JAG. This product is designed for cleaning firearms effectively and safely. Please read this safety instruction guide carefully to ensure proper use and to minimize any potential risks.

General Safety Guidelines

- Always handle cleaning jags with care to prevent injury.
- Ensure that the cleaning jag is compatible with your cleaning rod.
- Store the jags in a safe, dry place out of reach of children.
- Inspect the jags before use for any signs of damage or wear.
- Follow all local laws and regulations regarding firearm maintenance and cleaning.

Specific Safety Precautions for Use

- Use only with the appropriate caliber and type of cleaning rod.
- Do not use excessive force when attaching or detaching the jag from the rod.
- Avoid using jags that are damaged or worn, as they may not function correctly.
- Keep the work area wellventilated when using solvents like Sweet's.
- Always wear safety glasses when cleaning firearms to protect your eyes from solvents and debris.
- Be cautious when handling solvents; read and follow the manufacturer's safety instructions.

Instructions for Installation and Usage

1. Selecting the Right Jag:

- Ensure you have the correct caliber jag for your firearm (in this case, .416 caliber).
- Choose between male or female threads based on your cleaning rod compatibility.

2. Attaching the Jag:

- For femalethreaded jags, ensure compatibility with Dewey coated rods.
- For malethreaded jags, ensure compatibility with Dewey stainless rods or other brands with standard cleaning rod threads.
- Screw the jag onto the cleaning rod until securely fastened. Do not overtighten.

3. Using the Jag:

- Insert a cleaning patch into the jag.
- Gently push the cleaning rod with the jag and patch into the bore of the firearm.
- Pull the cleaning rod back and forth to clean the bore effectively.
- Change patches as needed to ensure thorough cleaning.

4. After Use:

- Remove the jag from the cleaning rod.
- Clean the jag with a suitable solvent to remove any residue.

- Store the jag in a safe place.

Disposal Instructions

- Dispose of any used cleaning patches and solvents in accordance with local regulations.
- Do not dispose of jags in regular household waste if they are damaged or contain hazardous materials.
- Check with local waste management facilities for proper disposal methods.

Contact Information for Further Support

For any questions or concerns regarding the use or safety of the PARKER HALE STYLE JAGS DEWEY .416 CAL PARKER HALE JAG, please refer to the contact information provided by the retailer or manufacturer.

Conclusion

By following these safety instructions, you can ensure a safe and effective cleaning experience with your PARKER HALE STYLE JAGS DEWEY .416 CAL PARKER HALE JAG. Always prioritize safety and compliance with local laws while maintaining your firearms. Thank you for your attention to these important guidelines.
