

SINCLAIR BENCHREST PRACTICE TARGET (25 PACK) - BENCHREST PRACTICE TARGETS 25 PACK

[Shooting Accessories](#) > [Targets & Accessories](#) > [Targets](#)

This 100 yard practice target will save a lot of trips from the bench to the target frame. Our 10 x 13 target has 20 official size 100 yard group benchrest targets without the outer two rings. Competitive benchrest shooters use this kind of targets on practice days before big matches since they can only go down range when the firing line is shut down and safe. The target is printed on good target stock, so holes form as they do in competition. The black aiming square is included for practice in heavy mirage. Good for 17 to 30 caliber rifles for practice and load testing.

Attributes

- Name: [BENCHREST PRACTICE TARGETS 25 PACK](#)

Safety Instruction Guide for SINCLAIR BENCHREST PRACTICE TARGET (25 PACK)

Introduction

Thank you for choosing the SINCLAIR BENCHREST PRACTICE TARGET (25 PACK). This guide provides essential safety instructions to ensure safe and effective use of the product. Please read this guide carefully before use.

General Safety Guidelines

- Ensure that all users are familiar with basic firearm safety rules.
- Use the target only in designated shooting areas that comply with local regulations.
- Always wear appropriate safety gear, including eye and ear protection, when shooting.
- Keep the area around the target clear of nonparticipants and ensure a safe shooting distance.
- Regularly inspect the target for wear or damage before each use.
- Do not use the target if it shows signs of deterioration or damage.

Specific Safety Precautions for Use

- Use only with rifles of caliber 17 to 30 for practice and load testing.
- Ensure the target is securely mounted to prevent it from falling or being dislodged during use.
- Avoid using the target in adverse weather conditions, such as high winds or rain, which may affect stability and safety.
- Do not attempt to retrieve arrows or bullets from the target until it is safe to do so, and the firing line is clear.
- Instruct all users on the importance of maintaining a safe shooting environment, including proper handling and storage of firearms.

Instructions for Installation and Usage

1. Installation:

- Choose a safe and appropriate location for target shooting.
- Securely mount the target frame at a height that is comfortable for shooting and ensures visibility.
- Ensure the target is positioned at a distance of 100 yards for optimal use.

2. Usage:

- Before shooting, confirm that the firing line is clear of all nonparticipants.
- Use the black aiming square for practice in heavy mirage conditions.
- After each shooting session, check the target for damage and replace if necessary.

Disposal Instructions

- Dispose of any damaged or worn targets in accordance with local waste disposal regulations.
- Do not burn the target materials, as they may contain nonbiodegradable components.
- If applicable, recycle any paper components of the target according to local recycling guidelines.

Contact Information for Further Support

For any questions regarding safety or product usage, please refer to the manufacturer's customer service resources.
