# Safety Instruction Guide for BUSHING BUMP NECK SIZING BUSHINGS NECK BUSHING .230 DIAMETER

## Introduction

Thank you for choosing the BUSHING BUMP NECK SIZING BUSHINGS NECK BUSHING .230 DIAMETER. This guide provides essential safety instructions and usage guidelines to ensure safe and effective operation of this product. Please read this document carefully before use.

## General Safety Guidelines

- Ensure that you are using the product in accordance with the manufacturer's specifications.
- Keep the product out of reach of children and vulnerable individuals.
- Regularly inspect the product for any signs of wear or damage before use.
- Report any unsafe conditions or accidents to the appropriate authorities.
- Stay informed about product recalls by checking the EU's Safety Gate platform.

## Specific Safety Precautions for Use

- Always use the Forster neck sizing bushings with the Forster Precision Plus Bushing Bump Dies only.
- Do not attempt to interchange bushings with other brands, as this may lead to malfunction or injury.
- Handle the bushings with care to avoid damage; they are cryogenically treated for smoothness and durability.
- Use protective eyewear and gloves when handling and installing the bushings to prevent injury.
- Ensure that the work area is clean and free from obstructions to avoid accidents during use.

## Instructions for Installation and Usage

### 1. Preparation

- Ensure you have the correct Forster Precision Plus Bushing Bump Die compatible with the .230 diameter bushing.
- Gather necessary tools and safety equipment (e.g., protective eyewear, gloves).

### 2. Installation

- Carefully remove the bushing from its packaging.
- Inspect the bushing for any visible damage or defects.
- Insert the bushing into the die following the manufacturer's instructions.
- Ensure that the bushing is seated properly and securely within the die.

### 3. Usage

- Follow the instructions provided with the Forster Precision Plus Bushing Bump Die for proper operation.
- Monitor the bushing during use for any signs of wear or malfunction.
- If you notice any issues, discontinue use immediately and consult the manufacturer's guidelines.

## Disposal Instructions

- Dispose of any damaged or worn bushings in accordance with local regulations.
- Do not dispose of the product in household waste. Instead, check for designated recycling or disposal facilities in your area.

## **Contact Information for Further Support**

For any inquiries regarding safety or product usage, please consult the manufacturer's website or contact their customer support center.

By following these safety instructions, you can ensure a safe and effective experience with your BUSHING BUMP NECK SIZING BUSHINGS NECK BUSHING .230 DIAMETER. Thank you for your attention to these guidelines.
