BUSHING BUMP NECK SIZING BUSHINGS NECK BUSHING .271 DIAMETER Safety Instructions

Introduction

Thank you for purchasing the Forster Bushing Bump Neck Sizing Bushings. This guide provides essential safety instructions and information to ensure the safe and effective use of this product. Please read and follow these guidelines carefully to avoid any hazards and ensure optimal performance.

General Safety Guidelines

- Ensure that the product is used only for its intended purpose as described in this manual.
- Always wear appropriate personal protective equipment (PPE) such as safety glasses and gloves when handling the bushings.
- Keep the product out of reach of children and vulnerable individuals.
- Do not use the bushings if they show signs of damage or wear.
- Regularly inspect the bushings for any signs of wear or damage before each use.
- Report any unsafe products or incidents to the relevant authorities.

Specific Safety Precautions for Use

- Only use Forster neck sizing bushings with Forster Precision Plus Bushing Bump Dies. Do not attempt to use them with other brands.
- Ensure that the bushings are correctly sized for your specific application. The bushings are available in .001 inch increments.
- Avoid applying excessive force when using the bushings to prevent damage to the product and ensure safety.
- Always follow the manufacturer's instructions for the specific die being used in conjunction with the bushings.
- If you experience any unusual resistance or difficulty during use, stop immediately and inspect the equipment.

Instructions for Installation and Usage

1. Preparation:

- Gather all necessary tools and equipment, including the Forster Precision Plus Bushing Bump Die and the appropriate neck sizing bushing.
- Ensure your work area is clean and free of any obstructions.

2. Installation:

- Insert the neck sizing bushing into the Forster Precision Plus Bushing Bump Die according to the manufacturer's instructions.
- Ensure that the bushing is securely seated in the die before proceeding.

3. Usage:

- Follow the specific instructions for your Forster die to complete the neck sizing process.
- Monitor the operation closely for any signs of malfunction or unusual behavior.

4. PostUse:

- After use, carefully remove the bushing from the die.
- Clean the bushing and die as per the manufacturer's recommendations to maintain their condition.

Disposal Instructions

- Dispose of any damaged or worn bushings in accordance with local regulations.
- If the bushings are no longer usable, consider recycling them if possible, or dispose of them in a manner that is safe for the environment.

Contact Information for Further Support

For any safety inquiries or further support, please reach out to the manufacturer's designated EU contact point. Ensure you have the product details ready for efficient assistance.

Thank you for taking the time to read this safety instruction guide. Your safety is our priority, and we hope you enjoy using the Forster Bushing Bump Neck Sizing Bushings responsibly and effectively.
