Safety Instruction Guide for BUSHING BUMP NECK SIZING BUSHINGS .272 DIAMETER

Introduction

Thank you for choosing the Forster Bushing Bump Neck Sizing Bushings. This guide provides essential safety instructions to ensure the safe use of this product. It complies with the EU General Product Safety Regulation (GPSR) to help you understand how to use the bushings safely and effectively.

General Safety Guidelines

- Always read and understand the safety instructions before using the product.
- Ensure that the product is used only for its intended purpose, which is to be used with Forster Precision Plus Bushing Bump Dies.
- Keep the product out of reach of children and vulnerable individuals.
- Regularly inspect the product for signs of wear or damage before use.
- Report any unsafe conditions or accidents to the relevant authorities.

Specific Safety Precautions for Use

- Handle the bushings with care to avoid injury. The edges may be sharp.
- Do not attempt to use the bushings with brands other than Forster, as they are not interchangeable.
- Ensure that the bushing is properly sized for the die you are using.
- Avoid using the bushings in a manner that may cause excessive force or pressure, which could lead to breakage or injury.
- Always wear appropriate safety gear, such as safety glasses, when using the bushing in conjunction with dies.

Instructions for Installation and Usage

1. Preparation:

- Ensure that your workspace is clean and free of clutter.
- Gather all necessary tools and equipment, including the Forster Precision Plus Bushing Bump Die.

2. Installation:

- Carefully insert the bushing into the Forster Precision Plus Bushing Bump Die.
- Ensure that the bushing is seated correctly and securely within the die.

3. Usage:

- Follow the manufacturer's instructions for operating the die with the installed bushing.
- Monitor the bushing during use for any signs of malfunction or wear.
- After use, remove the bushing from the die and inspect it for damage.

4. Maintenance:

- Clean the bushing after each use to remove any debris or residue.
- Store the bushing in a safe, dry place away from moisture and extreme temperatures.

Disposal Instructions

- Dispose of the bushing in accordance with local regulations for metal products.
- Do not dispose of the bushing in regular household waste.
- Consider recycling options available in your area to minimize environmental impact.

Contact Information for Further Support

For any safety inquiries or further assistance regarding the Forster Bushing Bump Neck Sizing Bushings, please refer to the contact details provided by the manufacturer on the product packaging or their official website.

By following these guidelines, you can ensure a safer experience while using the Forster Bushing Bump Neck Sizing Bushings. Thank you for taking the time to understand the safety instructions.
