Safety Instruction Guide for BUSHING BUMP NECK SIZING BUSHINGS .285 DIAMETER

Introduction

Thank you for choosing the BUSHING BUMP NECK SIZING BUSHINGS .285 DIAMETER by Forster Products, Inc. This guide provides essential safety instructions and guidelines to ensure the safe use of this product. Please read this guide carefully before using the product.

General Safety Guidelines

- Ensure that the product is used only with Forster Precision Plus Bushing Bump Dies, as these bushings are not interchangeable with other brands.
- Be aware of potential hazards associated with improper usage, including damage to the bushing and equipment, as well as personal injury.
- Store the bushings in a safe place, out of reach of children and vulnerable individuals.
- Regularly check for any signs of wear or damage to the bushings before each use.

Specific Safety Precautions for Use

- Always wear appropriate personal protective equipment (PPE), such as safety glasses and gloves, when handling and using the bushings.
- Do not exceed the recommended size limits of the bushing, as this may lead to equipment failure or personal injury.
- Ensure that the bushing is properly installed before use. A loose or improperly fitted bushing can cause accidents.
- Keep work areas clean and organized to prevent accidents and injuries.
- Avoid using the bushings in wet or damp conditions to prevent slipping and accidents.

Instructions for Installation and Usage

1. **Preparation:** Gather all necessary tools and equipment before starting the installation process.
2. **Installation:**
 - Ensure the Forster Precision Plus Bushing Bump Die is clean and free of debris.
 - Carefully insert the bushing into the die, ensuring a snug fit.
 - Tighten any locking mechanisms as specified in the die's manual to secure the bushing in place.
3. **Usage:**
 - Follow the specific instructions provided with the Forster Precision Plus Bushing Bump Die for optimal performance.
 - Monitor the bushing during use for any signs of wear or damage.
 - If any issues arise during use, stop immediately and inspect the bushing and die for problems.
4. **PostUsage:** After use, clean the bushing and die to remove any residue or debris. Store the bushing in a safe location.

Disposal Instructions

- Dispose of any damaged or worn bushings in accordance with local regulations.
- Recycle materials where possible, following local guidelines for recycling metal components.

Contact Information for Further Support

For any safety inquiries or support, please reach out to the designated EU contact point associated with this product.

Thank you for your attention to these safety instructions. Your safety is our priority, and we hope you have a safe and successful experience using the BUSHING BUMP NECK SIZING BUSHINGS .285 DIAMETER.
