# Safety Instruction Guide for Forster Bushing Bump Neck Sizing Bushings

## Introduction

Thank you for choosing the Forster Bushing Bump Neck Sizing Bushings. This guide provides essential safety instructions to ensure the safe and effective use of this product. Please read this guide carefully before using the bushings.

## General Safety Guidelines

- Always ensure that the product is used in accordance with the manufacturer's instructions.
- Inspect the bushings for any signs of damage or wear before use.
- Keep the bushings out of reach of children and vulnerable individuals.
- Use the bushings only with compatible Forster Precision Plus Bushing Bump Dies.
- Report any unsafe conditions or incidents to the relevant authorities.

## Specific Safety Precautions for Use

- Ensure the bushing diameter (.307 inch) matches your die specifications.
- Avoid using the bushings with other brands, as they are not interchangeable.
- Handle the bushings with care to prevent any physical injury.
- Do not attempt to modify or repair the bushings.
- Use appropriate personal protective equipment (PPE), such as safety glasses, when using tools with the bushings.

## Instructions for Installation and Usage

### 1. Preparation:

- Ensure your workspace is clean and free of clutter.
- Gather all necessary tools and equipment before starting.

### 2. Installation:

- Insert the Forster bushing into the Forster Precision Plus Bushing Bump Die.
- Ensure it is securely fastened according to the die's instructions.

### 3. Usage:

- Follow the die's operational instructions carefully.
- Always check the bushing for proper alignment before use.
- Use the bushing only for its intended purpose of neck sizing.

### 4. PostUse:

- After use, clean the bushing to remove any debris or contaminants.
- Store the bushings in a safe, dry place away from moisture and extreme temperatures.

## Disposal Instructions

- Dispose of the bushings in accordance with local regulations.
- Do not dispose of the bushings in regular household waste if they are damaged or contain hazardous

materials.

- Consider recycling options if available in your area.

## **Contact Information for Further Support**
