# Safety Instruction Guide for BUSHING BUMP NECK SIZING BUSHINGS

## Introduction

Thank you for choosing the Forster Bushing Bump Neck Sizing Bushings. This guide provides essential safety instructions and guidelines to ensure the safe use of this product. Please read this guide carefully before using the bushings.

## General Safety Guidelines

- Ensure that the bushings are used only with Forster Precision Plus Bushing Bump Dies. They are not interchangeable with other brands.
- Always handle the bushings with care to avoid damage.
- Store the bushings in a cool, dry place away from direct sunlight.
- Regularly inspect the bushings for wear or damage before use.
- Keep the bushings out of reach of children and vulnerable individuals.

## Specific Safety Precautions for Use

- Always wear appropriate safety gear, including eye protection, when using the bushings.
- Ensure that the bushing is securely fitted in the die before use.
- Do not exceed the recommended sizing limits specified for the bushings.
- Avoid using the bushings if they show any signs of cracking, chipping, or other damage.
- If you experience any unusual resistance or difficulty while using the bushings, stop immediately and inspect for issues.

## Instructions for Installation and Usage

### 1. Preparation:

- Ensure that your workspace is clean and welllit.
- Gather all necessary tools and equipment.

### 2. Installation:

- Select the appropriate Forster bushing for your specific needs (in this case, .226 diameter).
- Insert the bushing into the Forster Precision Plus Bushing Bump Die.
- Ensure that the bushing is seated properly and securely.

### 3. Usage:

- Follow the manufacturer's instructions for operating the die and using the bushing.
- Monitor the process closely to ensure the bushing is functioning correctly.
- After use, carefully remove the bushing from the die and clean it if necessary.

## Disposal Instructions

- Dispose of any damaged or worn bushings in accordance with local regulations.
- Do not throw bushings in regular household waste. Instead, check for recycling or hazardous waste disposal options in your area.

## **Contact Information for Further Support**

For any inquiries regarding safety or product concerns, please contact the manufacturer directly. Ensure you have the product details ready for reference.

Thank you for your attention to these safety guidelines. Your safety and satisfaction are our top priorities.
