# **BUSHING BUMP NECK SIZING BUSHINGS NECK BUSHING .244 DIAMETER Safety Instruction Guide**

## **Introduction**

Thank you for choosing the Forster Bushing Bump Neck Sizing Bushings. This guide provides important safety information and instructions to ensure the safe and effective use of the product. Please read this guide carefully before using the product.

## **General Safety Guidelines**

- Ensure the product is used only with Forster Precision Plus Bushing Bump Dies.
- Do not use the bushings with any other brand of dies or bushings, as compatibility cannot be guaranteed.
- Keep the bushings out of reach of children and vulnerable individuals to prevent accidental injury.
- Regularly inspect the bushings for any signs of wear or damage before each use.
- If you notice any defects or unusual performance, discontinue use immediately and consult a professional.

## **Specific Safety Precautions for Use**

- Always wear appropriate safety gear, including safety glasses, when using the bushings.
- Use the bushings in a wellventilated area to avoid inhalation of any dust or debris generated during use.
- Handle the bushings with care to avoid dropping or damaging them, which could lead to injury or ineffective performance.
- Follow all manufacturer guidelines and recommendations for the specific Forster Precision Plus Bushing Bump Dies being used.

## **Instructions for Installation and Usage**

### **1. Preparation:**

- Gather all necessary tools and materials before starting the installation process.
- Ensure your workspace is clean and organized to minimize the risk of accidents.

### **2. Installation:**

- Carefully remove the bushing from its packaging.
- Insert the bushing into the die according to the Forster Precision Plus Bushing Bump Die instructions.
- Ensure the bushing is securely in place before proceeding.

### **3. Usage:**

- Follow the specific instructions for your Forster Precision Plus Bushing Bump Die for optimal performance.
- Monitor the operation closely and stop immediately if you notice any irregularities or issues.
- After use, clean the bushings to maintain their condition and longevity.

## **Disposal Instructions**

- Dispose of any damaged or worn bushings in accordance with local regulations for hazardous waste.
- Do not dispose of the bushings in regular household waste if they are damaged or contain any hazardous materials.

## **Contact Information for Further Support**

For any inquiries regarding safety concerns or product information, please refer to the contact details provided by the manufacturer. Ensure you have the product model and any relevant details ready for a more efficient response.

By following these safety instructions, you can help ensure a safe and effective experience with the Forster Bushing Bump Neck Sizing Bushings. Thank you for your attention to safety.
