# Safety Instruction Guide for Forster Bushing Bump Neck Sizing Bushings

## Introduction

Thank you for choosing the Forster Bushing Bump Neck Sizing Bushings. This guide provides essential safety instructions to ensure the safe and effective use of this product. Please read this guide thoroughly before using the bushings.

## General Safety Guidelines

- Always use the Forster Bushing Bump Neck Sizing Bushings with Forster Precision Plus Bushing Bump Dies only.
- Ensure that the bushings are compatible with your specific die to avoid any potential hazards.
- Keep the bushings away from children and unauthorized users.
- Regularly inspect the bushings for any signs of wear or damage before each use.
- Follow all manufacturer instructions and guidelines to minimize risks.

## Specific Safety Precautions for Use

- Use protective eyewear when operating the equipment to prevent eye injury from debris or particles.
- Avoid using excessive force when sizing necks to prevent damage to the bushings and ensure consistent results.
- Do not attempt to modify or alter the bushings in any way, as this may compromise their integrity and safety.
- Store the bushings in a dry, safe place when not in use to prevent corrosion or damage.
- If you experience any unusual behavior from the bushings during use, cease operation immediately and inspect for issues.

## Instructions for Installation and Usage

### 1. Installation:

- Ensure that your Forster Precision Plus Bushing Bump Die is clean and free of debris.
- Select the appropriate Forster neck sizing bushing based on the desired neck size.
- Insert the bushing into the die according to the manufacturer's instructions.
- Ensure the bushing is securely in place before proceeding.

### 2. Usage:

- Prepare the brass cases you wish to size by cleaning and inspecting them.
- Adjust the die to the appropriate settings as per your specific reloading requirements.
- Insert the brass case into the die and apply smooth, even pressure to size the neck.
- Remove the sized case and inspect it for consistency and quality.
- Repeat the process as necessary for additional cases.

## Disposal Instructions

- Dispose of any damaged or worn bushings in accordance with local regulations.
- Do not dispose of the bushings in regular household waste; check for recycling options or hazardous waste disposal facilities.

## **Contact Information for Further Support**

For any questions or concerns regarding the Forster Bushing Bump Neck Sizing Bushings, please refer to the manufacturer's official website or contact their customer support. Ensure you have your product details ready for assistance.

By adhering to these safety guidelines and instructions, you can ensure a safe and effective experience with your Forster Bushing Bump Neck Sizing Bushings. Thank you for choosing Forster Products.
