Safety Instruction Guide for BUSHING BUMP NECK SIZING BUSHINGS

Introduction

Thank you for choosing the Forster Bushing Bump Neck Sizing Bushings. This guide provides essential safety instructions to ensure the safe and effective use of this product. Please read this guide carefully before use to familiarize yourself with the necessary precautions and procedures.

General Safety Guidelines

- Ensure that the product is used only with Forster Precision Plus Bushing Bump Dies.
- Do not attempt to use these bushings with other brands' dies, as they are not interchangeable.
- Always handle the bushings with care to avoid damage.
- Keep the bushings out of reach of children to prevent accidental injuries.
- Regularly inspect the bushings for any signs of wear or damage before each use.

Specific Safety Precautions for Use

- Always wear appropriate safety gear, including eye protection, when using this product.
- Avoid using excessive force when inserting or removing the bushings from the die.
- Ensure that the work area is clean and free from any obstructions that may cause accidents.
- Do not use the bushings if they show signs of damage or wear.
- Store the bushings in a safe and dry location when not in use.

Instructions for Installation and Usage

1. Preparation:

- Ensure you have the Forster Precision Plus Bushing Bump Die compatible with the bushings.
- Gather necessary tools and safety equipment.

2. Installation:

- Carefully remove the bushing from its packaging.
- Align the bushing with the die, ensuring it fits securely.
- Gently insert the bushing into the die, avoiding excessive force.
- Check that the bushing is seated correctly and securely.

3. Usage:

- Follow the instructions for your specific Forster die to perform the neck sizing operation.
- Monitor the process closely to ensure safe operation.
- After use, carefully remove the bushing from the die.

4. PostUse Care:

- Clean the bushing after each use to maintain its condition.
- Store the bushing in its original packaging or a safe container.

Disposal Instructions

- Dispose of any damaged or worn bushings in accordance with local waste disposal regulations.

- Do not dispose of bushings in regular household waste if they are contaminated with hazardous materials.

Contact Information for Further Support

For any inquiries regarding safety or product information, please refer to the contact details provided with your product packaging or on the manufacturer's website.

By following these safety instructions, you can ensure a safe and effective experience with the Forster Bushing Bump Neck Sizing Bushings. Thank you for your attention to safety, and enjoy your reloading process!
