# Safety Instruction Guide for BUSHING BUMP NECK SIZING BUSHINGS

## Introduction

Thank you for choosing the Forster Bushing Bump Neck Sizing Bushings. This guide provides essential safety instructions and usage information to ensure safe and effective operation. Please read this guide thoroughly before using the product.

## General Safety Guidelines

- Ensure that the product is used according to the manufacturer's instructions.
- Always inspect the bushing for any signs of damage or wear before use.
- Keep the bushing out of reach of children and vulnerable individuals.
- Use the bushing only with Forster Precision Plus Bushing Bump Dies.
- Report any unsafe products or incidents to the relevant authorities.

## Specific Safety Precautions for Use

- Always wear appropriate safety gear, such as safety glasses and gloves, when handling the bushing.
- Avoid using excessive force when inserting or removing the bushing from the die.
- Do not use the bushing for purposes other than those specified by the manufacturer.
- Ensure that the work area is clean and free from hazards before using the bushing.
- Be aware of sharp edges and handle the bushing with care to prevent injury.

## Instructions for Installation and Usage

### 1. Preparation:

- Gather all necessary tools and equipment.
- Ensure the work area is welllit and organized.

### 2. Installation:

- Insert the Forster neck sizing bushing into the Forster Precision Plus Bushing Bump Die.
- Ensure the bushing is securely seated in the die before proceeding.

### 3. Usage:

- Follow the die's instructions for proper operation.
- Adjust the die settings as necessary for the desired neck sizing.
- Monitor the bushing during use for any signs of wear or damage.

### 4. PostUse Care:

- Clean the bushing after each use to remove any debris or residue.
- Store the bushing in a dry, cool place to prevent corrosion.

## Disposal Instructions

- Dispose of the bushing in accordance with local regulations.
- Do not dispose of the bushing in regular household waste if it is damaged or broken.
