# Safety Instruction Guide for BUSHING BUMP NECK SIZING BUSHINGS

## Introduction

Thank you for choosing the BUSHING BUMP NECK SIZING BUSHINGS from Forster Products, Inc. This guide provides important safety instructions to ensure the safe use of this product in compliance with the EU General Product Safety Regulation (GPSR). Please read this guide carefully before use.

## General Safety Guidelines

- Ensure that the product is used solely for its intended purpose as specified by the manufacturer.
- Regularly inspect the bushing for any signs of wear or damage before each use.
- Store the bushings in a dry and safe environment to prevent damage.
- Keep the product out of reach of children and vulnerable individuals.
- In case of an emergency or injury, seek medical assistance immediately.

## Specific Safety Precautions for Use

- Always wear appropriate personal protective equipment (PPE) such as safety glasses and gloves when handling the bushings.
- Avoid using the bushings with dies or equipment from other manufacturers to prevent malfunction or accidents.
- Do not exceed the recommended sizing limits as specified in the product specifications.
- Ensure that the bushing is properly installed before use to avoid accidents.
- If you experience any unusual behavior or performance while using the product, discontinue use immediately.

## Instructions for Installation and Usage

### 1. Preparation:

- Gather all necessary tools and equipment before starting the installation.
- Ensure that your workspace is clean and welllit.

### 2. Installation:

- Carefully remove the bushing from its packaging.
- Inspect the bushing for any visible defects or damage.
- Install the bushing into the Forster Precision Plus Bushing Bump Die according to the manufacturer's instructions.
- Ensure that the bushing is securely fastened and properly aligned.

### 3. Usage:

- Follow the specific instructions for your Forster Precision Plus Bushing Bump Die for optimal performance.
- Monitor the bushing during use to ensure it is functioning correctly.
- After use, clean the bushing to remove any debris or residue.

## **Disposal Instructions**

- Dispose of the product in accordance with local regulations.
- Do not dispose of the product in household waste.
- Consider recycling options where available.

## **Contact Information for Further Support**

For any safety inquiries or to report unsafe products, please contact the designated EU contact point for assistance.

By following these guidelines and precautions, you can ensure a safe and effective experience with your BUSHING BUMP NECK SIZING BUSHINGS. Thank you for your attention to safety!
