# Safety Instruction Guide for Redding Extended Shellholder #10

## Introduction

Thank you for purchasing the Redding Extended Shellholder #10. This product is designed for use in trimming short cases under 11/2" OAL. Please read this safety instruction guide carefully to ensure safe and effective use of the shellholder. Your safety and satisfaction are our top priorities.

## General Safety Guidelines

- Always use the shellholder in accordance with the manufacturer's instructions.
- Inspect the shellholder before each use for any signs of damage or wear.
- Keep the shellholder out of reach of children and vulnerable individuals.
- Report any unsafe products or incidents to the relevant authorities.
- Stay informed about product recalls by checking the EU's Safety Gate platform.

## Specific Safety Precautions for Use

- Ensure that the shellholder is compatible with your specific cartridge type (17 Remington, 17 PPC).
- Use appropriate personal protective equipment (PPE) such as safety glasses when operating machinery.
- Avoid using excessive force when inserting or removing the shellholder from the trimming tool.
- Always follow the safety guidelines provided by the trimming tool manufacturer.
- Do not modify the shellholder in any way, as this may compromise safety and performance.

## Instructions for Installation and Usage

### 1. Preparation:

- Ensure your workspace is clean and welllit.
- Gather all necessary tools and materials, including your trimming tool and the Redding Extended Shellholder #10.

### 2. Installation:

- Insert the shellholder into the trimming tool according to the manufacturer's instructions.
- Ensure that the shellholder is securely attached and properly aligned.

### 3. Usage:

- Place the cartridge into the shellholder.
- Follow the trimming tool's operating instructions to trim the case to the desired length.
- After use, carefully remove the cartridge from the shellholder.

### 4. PostUse Care:

- Clean the shellholder after each use to remove debris or residue.
- Store the shellholder in a safe place, away from moisture and extreme temperatures.

## Disposal Instructions

- Dispose of the shellholder responsibly at a designated recycling facility if it becomes damaged beyond repair.

- Follow local regulations regarding the disposal of metal products.

## **Contact Information for Further Support**

For any questions or concerns regarding the use of the Redding Extended Shellholder #10, please refer to the manufacturer's website or contact their customer support service. Always ensure that inquiries are directed to an EUbased contact for safetyrelated issues.

Thank you for your attention to these safety instructions. Enjoy using your Redding Extended Shellholder #10 safely and effectively!
