

CLEANING LINK FOR AR-15 - AR-15 CLEANING LINK

[Gun Cleaning & Chemicals](#) > [Cleaning Rods & Accessories](#) > [Cleaning Tools](#)

This item is a must have for cleaning your AR-15. The Link separates the upper and lower assemblies, but holds them securely to allow easy breech access for bore cleaning using a Sinclair Rod Guide (NOT INCLUDED). Made of Delrin and stainless steel, it is virtually impervious to solvents. The Cleaning Link uses the rear locking pin and rear locking pin hole and installs in seconds. NOTE: This includes the cleaning link only.

Safety Instruction Guide for CLEANING LINK FOR AR15

Introduction

Thank you for choosing the CLEANING LINK FOR AR15. This product is designed to facilitate the cleaning of your AR15 by securely holding the upper and lower assemblies apart while allowing easy access for bore cleaning. Please read this safety instruction guide carefully to ensure safe use and maintenance of the product.

General Safety Guidelines

- Ensure that the CLEANING LINK is used only for its intended purpose.
- Always follow firearm safety rules when handling your AR15.
- Keep the product out of reach of children and vulnerable individuals.
- Inspect the CLEANING LINK before each use for any signs of wear or damage.
- Do not use the product if it shows signs of wear or damage.
- Report any unsafe conditions or incidents to the appropriate authorities.
- Regularly check for recall updates on the EU's Safety Gate platform.

Specific Safety Precautions for Use

- Always ensure that your firearm is unloaded before using the CLEANING LINK.
- Do not attempt to clean your AR15 while it is loaded.
- Use the CLEANING LINK in a wellventilated area to avoid inhalation of cleaning solvents.
- Avoid contact with solvents and chemicals that may damage the product.
- Do not modify or alter the CLEANING LINK in any way.
- Always follow the manufacturer's instructions for cleaning solvents and tools.

Instructions for Installation and Usage

1. Preparation:

- Ensure the AR15 is unloaded and in a safe condition.
- Gather all necessary cleaning materials, including a Sinclair Rod Guide (not included).

2. Installation of the CLEANING LINK:

- Align the rear locking pin of the CLEANING LINK with the rear locking pin hole on the AR15.
- Insert the CLEANING LINK until it is securely in place. This should take only a few seconds.

3. Using the CLEANING LINK:

- Once installed, the CLEANING LINK will separate the upper and lower assemblies, providing easy access to the bore.
- Use the Sinclair Rod Guide for bore cleaning as per the manufacturer's instructions.

4. PostCleaning:

- After cleaning, remove the CLEANING LINK by reversing the installation steps.
- Store the CLEANING LINK in a safe and dry location.

Disposal Instructions

- Dispose of the CLEANING LINK in accordance with local regulations.
- If the product is damaged or no longer usable, consider recycling it if possible.

Contact Information for Further Support

For any questions or concerns regarding the CLEANING LINK FOR AR15, please refer to the manufacturer or your point of purchase for assistance. Always ensure you have the latest safety information and product updates.

By following these guidelines, you can help ensure a safe and effective cleaning experience with your CLEANING LINK FOR AR15. Thank you for your attention to safety!
