

# WILSON TRIMMER CASE HOLDERS, PISTOL CARTRIDGES - FIRED CASE PISTOL HOLDER .45 ACP

[Reloading](#) > [Case Preparation](#) > [Case Trimming](#) > [Trimmer Case Holders](#)

Wilson Case Holders hold the case square to the cutter face for trimming as well as inside neck reaming, case mouth deburring, and military crimp removal. Standard Pistol Case Holders require that cases be tapped into the case holder firmly to hold the case securely due to the straight wall construction. We recommend Q-Style case holders when available for pistol cartridges.

## Attributes

# Safety Instruction Guide for WILSON TRIMMER CASE HOLDERS

## Introduction

Thank you for choosing the WILSON TRIMMER CASE HOLDERS for your reloading needs. This guide provides essential safety instructions to ensure the safe and effective use of the product. Please read this guide carefully before using the product.

## General Safety Guidelines

- Ensure that you are familiar with the safe handling of firearms and ammunition before using this product.
- Always wear appropriate safety gear, including safety glasses, when operating the trimmer and related equipment.
- Keep the work area clean and welllit to prevent accidents.
- Store the trimmer and case holders out of reach of children and unauthorized users.
- Regularly inspect the product for wear or damage. Do not use if damaged.
- Follow all local laws and regulations regarding the use of firearm accessories.

## Specific Safety Precautions for Use

- **Hazard Identification:**
  - The trimmer may have sharp edges that can cause cuts or injuries.
  - Improper use of case holders can lead to cases being ejected unexpectedly.
- **Avoiding Hazards:**
  - Always ensure that the case is securely held in the holder before trimming.
  - Do not attempt to trim cases that are not fully inserted into the holder.
  - Use the product only for its intended purpose as specified in the manual.
- **AudienceSpecific Warnings:**
  - This product is not suitable for children. Ensure that only adults with proper training and knowledge use this product.

## Instructions for Installation and Usage

### 1. Installation:

- Ensure that your trimmer is securely mounted according to the manufacturer's instructions.
- Select the appropriate WILSON TRIMMER CASE HOLDER for your .45 ACP cartridges.
- Insert the case into the holder firmly, ensuring it is seated properly.

### 2. Usage:

- Adjust the trimmer settings according to the desired length for your cases.
- Engage the trimmer while keeping your hands clear of the cutting area.
- After trimming, inspect the case for any burrs or sharp edges. Use a deburring tool if necessary.
- Remove the case from the holder by tapping it out gently to avoid damage.

## Disposal Instructions

- Dispose of any damaged or wornout case holders in accordance with local regulations.
- Do not dispose of the product in regular household waste. Check for local recycling programs for metal and plastic components.

## **Contact Information for Further Support**

For any questions or concerns regarding the safety and use of the WILSON TRIMMER CASE HOLDERS, please refer to the manufacturer's contact information provided on the packaging or product documentation.

Thank you for taking the time to read this safety instruction guide. Your safety is our priority, and we hope you enjoy using the WILSON TRIMMER CASE HOLDERS responsibly.
