Safety Instruction Guide for Redding Seating Die 338 Winchester Magnum

Introduction

Thank you for choosing the Redding Seating Die for your reloading needs. This product is designed to provide precise bullet seating for the 338 Winchester Magnum cartridge. To ensure your safety and the optimal performance of this product, please read and follow the safety instructions outlined in this guide.

General Safety Guidelines

- Always use the Redding Seating Die in accordance with the manufacturer's instructions.
- Inspect the die for any damage or wear before use. Do not use if damaged.
- Keep the die and all reloading components out of reach of children and unauthorized users.
- Store the die in a dry, safe location when not in use to prevent corrosion and damage.
- Follow all relevant local, state, and national regulations regarding reloading and ammunition.

Specific Safety Precautions for Use

- Ensure that you are using the die with the correct cartridge type (338 Winchester Magnum) to avoid malfunctions.
- Wear appropriate personal protective equipment (PPE), such as safety glasses and gloves, while reloading.
- Be aware of your surroundings and ensure that you are in a safe environment when using the die.
- Avoid distractions while operating the reloading equipment to maintain focus on the task.
- Do not exceed recommended load specifications as outlined in reliable reloading manuals.

Instructions for Installation and Usage

1. Installation:

- Securely mount the Redding Seating Die in your reloading press according to the manufacturer's instructions.
- Ensure that the die is tightened properly to prevent movement during operation.

2. Usage:

- Before starting, ensure that the work area is clean and free of obstructions.
- Adjust the seating depth according to your specifications using the builtin seating plug.
- Insert the bullet into the die and slowly raise the ram of the reloading press to seat the bullet.
- Check the seating depth after each round to ensure consistency and accuracy.
- If crimping is required, adjust the crimp ring accordingly and follow the same process as above.

Disposal Instructions

- Dispose of any unused or damaged reloading components in accordance with local regulations.
- Do not dispose of the die in regular household waste. Instead, contact local waste management authorities for proper disposal methods.

Contact Information for Further Support

For any questions or concerns regarding the Redding Seating Die or safety instructions, please consult the

manufacturer's website or customer service resources for assistance.

Thank you for prioritizing safety while using the Redding Seating Die. Your careful attention to these guidelines will help ensure a safe and enjoyable reloading experience.
