# Safety Instruction Guide for SEATER DIES REDDING SEATER DIE 270 WINCHESTER SHORT MAGNUM

## Introduction

Thank you for choosing the SEATER DIES REDDING SEATER DIE 270 WINCHESTER SHORT MAGNUM. This product is designed for reloading ammunition safely and effectively. It is essential to follow the safety instructions outlined in this guide to ensure safe and proper use.

## General Safety Guidelines

- Always use the die in accordance with the manufacturer's instructions.
- Ensure that the work area is wellventilated and free from distractions.
- Keep the die and all reloading materials out of reach of children and unauthorized users.
- Use appropriate personal protective equipment (PPE) such as safety glasses and gloves when handling reloading components.
- Regularly inspect the die for signs of wear or damage before use.
- Report any unsafe products or incidents to the relevant authorities.

## Specific Safety Precautions for Use

- **Hazard Identification:**

- The die is designed for use with specific cartridges (270 WSM). Using it with incompatible cartridges may lead to malfunctions.
- Improper handling may result in serious injury or damage to property.

- **Avoiding Hazards:**

- Always doublecheck the cartridge specifications before use.
- Do not exceed the recommended load limits for the cartridges.
- Ensure that all components are clean and free from obstructions before use.
- Never point the die at yourself or others during the reloading process.

- **Age Restrictions:**

- This product is intended for use by individuals aged 18 and older. Ensure that minors are supervised if they are present in the reloading area.

## Instructions for Installation and Usage

- **Installation:**

1. Ensure that your reloading press is securely mounted on a stable work surface.
2. Insert the Redding Seating Die into the reloading press according to the manufacturer's instructions.
3. Adjust the die to the desired seating depth as specified for your bullet type.

- **Usage:**

1. Place a clean cartridge case in the press shell holder.

2. Insert a bullet into the case mouth.
3. Activate the press to seat the bullet to the desired depth.
4. Check the seating depth with a caliper for accuracy.
5. Repeat the process for additional cartridges, ensuring that you monitor the operation for any irregularities.

## **Disposal Instructions**

- Dispose of any used or damaged reloading components in accordance with local regulations.
- Do not dispose of reloading materials in regular household waste. Check for local hazardous waste disposal options.
- Ensure that all packaging materials are recycled or disposed of responsibly.

## **Contact Information for Further Support**

For any questions or concerns regarding the use of this product, please refer to the manufacturer's website or contact their customer service for assistance.

By following these safety guidelines and instructions, you can ensure a safe and effective reloading experience with the SEATER DIES REDDING SEATER DIE 270 WINCHESTER SHORT MAGNUM. Thank you for your attention to safety.
