Safety Instructions for SEATER DIES REDDING

SEATER DIE 222 REMINGTON

Introduction

Thank you for choosing the Redding Seating Die designed for the 222 Remington cartridge. This product is engineered to provide precise bullet seating while ensuring safety during use. Please read this safety instruction guide carefully to ensure safe handling and operation.

General Safety Guidelines

- Always handle the die with care and ensure it is free from any obstructions before use.
- Use the die only for its intended purpose, which is to seat bullets for the 222 Remington cartridge.
- Keep the die out of reach of children and unauthorized users.
- Regularly inspect the die for signs of wear or damage. Do not use if damaged.
- Follow all local laws and regulations regarding ammunition reloading.

Specific Safety Precautions for Use

- Ensure that you are using the die in a wellventilated area to avoid inhalation of any dust or particles.
- Wear appropriate personal protective equipment (PPE), such as safety glasses and gloves, during operation.
- Use only compatible reloading equipment and components as specified by the manufacturer.
- Avoid forcing the die into any position or using excessive pressure during operation.
- Be aware of the potential for sharp edges on the die and handle with caution.

Instructions for Installation and Usage

1. Installation

- Ensure that your reloading press is securely mounted and stable.
- Insert the Redding Seating Die into the press according to the manufacturer's instructions.
- Adjust the die to the desired seating depth as per your specifications.

2. Usage

- Load the cartridge case into the reloading press.
- Place the bullet into the cartridge case, ensuring proper alignment.
- Operate the press to seat the bullet, maintaining a steady and controlled motion.
- After seating, inspect the cartridge for proper bullet seating and overall integrity.

Disposal Instructions

- Dispose of any unused or damaged components in accordance with local waste disposal regulations.
- Do not dispose of the die in regular household waste. Check for local recycling programs or hazardous waste disposal sites.

Contact Information for Further Support

For any questions or concerns regarding the safety or operation of the Redding Seating Die, please refer to the manufacturer's website or customer support for assistance.

By following these safety instructions, you can ensure a safe and effective reloading experience with the

Redding Seating Die for the 222 Remington cartridge. Always prioritize safety and compliance with relevant regulations.
