# SEATER DIES REDDING SEATER DIE 204 RUGER

## Safety Instruction Guide

### Introduction

Thank you for choosing the Redding Seating Die for your reloading needs. This guide provides essential safety instructions to ensure the safe and effective use of the product. Please read this document carefully before using the die.

### General Safety Guidelines

- Always wear appropriate safety gear, including eye protection, when reloading ammunition.
- Keep the work area clean and organized to prevent accidents.
- Ensure that the die is compatible with your reloading equipment and the specific cartridge you are using.
- Store the die in a safe, dry place when not in use, away from children and pets.
- Regularly inspect the die for any signs of wear or damage. Do not use damaged equipment.
- Follow all local laws and regulations regarding ammunition reloading.

### Specific Safety Precautions for Use

- Use the die only for its intended purpose: seating bullets for the 204 Ruger cartridge.
- Ensure that the bullet guide is correctly positioned before use to avoid misalignment.
- Do not exceed recommended loads as specified in reputable reloading manuals.
- Always check that the die is securely mounted in the press before beginning the reloading process.
- Avoid distractions while reloading to maintain focus and prevent mistakes.
- If you encounter any issues during reloading, stop immediately and consult the product manual or a knowledgeable source for assistance.

### Instructions for Installation and Usage

#### 1. Installation:

- Ensure your reloading press is clean and free of debris.
- Securely mount the Redding Seating Die in the press according to the manufacturer's instructions.
- Adjust the die to the desired seating depth using the provided seating plug.

#### 2. Usage:

- Start by preparing your brass cases as per standard reloading procedures.
- Place a bullet into the case mouth, ensuring it is properly aligned.
- Operate the press to seat the bullet, applying consistent pressure.
- Inspect each completed round for proper seating and crimping.
- Store completed ammunition in a safe and organized manner.

### Disposal Instructions

- Dispose of any unused or damaged components in accordance with local regulations.
- Do not throw away ammunition or reloading components in regular trash.
- Check with local waste management authorities for proper disposal methods of hazardous materials.

## **Contact Information for Further Support**

For any safety inquiries or additional support, please refer to the official Redding website or contact your local distributor. Ensure you have the product information ready for a more efficient response.

## **Conclusion**

By following these safety instructions, you can ensure a safe and effective reloading experience with the Redding Seating Die. Always prioritize safety and stay informed about best practices in ammunition reloading.
