FULL LENGTH SIZING DIES 257 ROBERTS Safety Instruction Guide

Introduction

Thank you for purchasing the FULL LENGTH SIZING DIES 257 ROBERTS. This product is designed to help you resize the full length of your cartridge, ensuring optimal performance and safety. Please read this safety instruction guide carefully to ensure proper use and to minimize any risks associated with the product.

General Safety Guidelines

- **Product Safety:** Ensure safe handling and use of the sizing dies. Follow all instructions provided in this manual to avoid accidents.
- **Enhanced Recalls:** Stay informed about any recalls or safety notices related to this product. Check regularly for updates.
- **Online Shopping:** If purchased online, ensure the seller complies with safety regulations as required by EU law.
- **Special Consumer Focus:** Keep this product out of reach of children and vulnerable individuals. It is not intended for use by minors.
- **EU Contact Point:** For any safety inquiries, please refer to the relevant EU based contact information provided by your retailer.
- **Rapid Alerts:** Be aware of the EU Safety Gate system for rapid alerts on unsafe products. Report any unsafe conditions immediately.

Specific Safety Precautions for Use

- **Read Instructions:** Always read and understand the instructions before using the sizing dies.
- **Use Appropriate Equipment:** Ensure that you are using compatible reloading equipment and tools.
- **Inspect for Damage:** Before use, inspect the dies for any signs of damage or wear. Do not use damaged dies.
- **Wear Protective Gear:** Always wear safety glasses and appropriate gloves when handling reloading equipment.
- **Work in a Safe Environment:** Use the dies in a wellventilated area, free from distractions and hazards.
- **Keep Away from Children:** Store the dies in a secure location out of reach of children.
- **Follow Headspace Gauge Recommendations:** Use a headspace gauge when setting up the full length sizing die to ensure proper sizing.

Instructions for Installation and Usage

1. Preparation:

- Gather all necessary tools and materials before starting.
- Ensure your work area is clean and organized.

2. Installation:

- Secure the sizing die into your reloading press according to the manufacturer's instructions.
- Ensure the decapping assembly and expander ball are correctly installed.

3. Resizing Process:

- Insert the cartridge case into the press.
- Operate the press to resize the full length of the cartridge, ensuring that the neck and body of the case are sized appropriately.
- Check the resized cartridge against your specifications.

4. PostUse Care:

- Clean the dies after each use to prevent residue buildup.
- Store the dies in a safe, dry place when not in use.

Disposal Instructions

- **Environmental Considerations:** Dispose of any unused or damaged product parts according to local regulations.
- **Recycling:** If applicable, recycle packaging materials and components to minimize environmental impact.

Contact Information for Further Support

For any questions or concerns regarding the FULL LENGTH SIZING DIES 257 ROBERTS, please refer to the contact information provided by your retailer. It is essential to have access to support for any safety inquiries or productrelated issues.

By following these safety instructions, you can ensure a safe and effective experience with your FULL LENGTH SIZING DIES 257 ROBERTS. Thank you for prioritizing safety in your reloading practices.
