# Safety Instructions for FULL LENGTH SIZING DIES 8X57MM MAUSER

## Introduction

Thank you for choosing the FULL LENGTH SIZING DIES 8X57MM MAUSER. These dies are designed to ensure the precise sizing of your cartridges, enhancing the performance and safety of your reloading process. This guide provides essential safety instructions and guidelines for the proper use of this product in compliance with the EU General Product Safety Regulation (GPSR).

## General Safety Guidelines

- Always read and understand the instructions before using the product.
- Keep the dies and all related equipment out of reach of children.
- Ensure that the workspace is clean, organized, and free from distractions.
- Use appropriate personal protective equipment (PPE), such as safety glasses and gloves, when handling materials.
- Regularly inspect the dies for any signs of wear or damage. Replace any damaged components immediately.
- Store the dies in a safe, dry place when not in use to prevent corrosion and damage.

## Specific Safety Precautions for Use

- Use the dies only for their intended purpose: sizing 8 mm Mauser cartridges.
- Ensure that the die is securely mounted in the reloading press before use.
- Always check the cartridge case for proper fit and condition before sizing.
- Do not exceed the recommended load specifications for your cartridges.
- Avoid wearing loose clothing or jewelry that may get caught in the reloading equipment.
- Be aware of the potential hazards associated with handling ammunition components and take necessary precautions.

## Instructions for Installation and Usage

### 1. Installation

- Clean the reloading press and ensure it is in good working condition.
- Carefully unpack the FULL LENGTH SIZING DIE and inspect for any damage.
- Mount the die into the reloading press according to the manufacturer's instructions.
- Adjust the die to the desired height, ensuring it makes contact with the shell holder when the press is at the top of its stroke.

### 2. Usage

- Place an empty cartridge case into the shell holder of the press.
- Pull the handle of the press down to size the cartridge case fully.
- Inspect the sized cartridge case for proper dimensions and fit.
- Repeat the process for each cartridge case you intend to size.
- After use, clean the die to remove any residue and prevent corrosion.

## Disposal Instructions

- Dispose of any unused or damaged cartridges and components in accordance with local regulations.
- Do not throw away the dies in regular household waste. Check for local recycling programs that accept metal products.
- Ensure that all materials are safely stored until proper disposal can be arranged.

## Contact Information for Further Support

For any inquiries regarding safety, usage, or support, please refer to the manufacturer's contact details provided with the product packaging. It is essential to have access to this information for any safety concerns or product-related questions.

By following these safety instructions and guidelines, you can ensure a safe and effective reloading experience with the FULL LENGTH SIZING DIES 8X57MM MAUSER. Always prioritize safety and adhere to best practices while handling reloading equipment and materials.
