# Safety Instruction Guide for FULL LENGTH SIZING DIES 6.5X55MM SWEDISH MAUSER

## Introduction

Thank you for purchasing the FULL LENGTH SIZING DIES 6.5X55MM SWEDISH MAUSER. This guide provides essential safety instructions to ensure safe and effective use of the product. It is important to read and understand these guidelines before using the sizing dies.

## General Safety Guidelines

- Ensure that the product is used only for its intended purpose.
- Always wear appropriate personal protective equipment (PPE), such as safety glasses and gloves, when using the dies.
- Keep the dies and all related tools out of reach of children and vulnerable individuals.
- Regularly inspect the dies for any signs of wear or damage before use.
- If you encounter any issues or concerns while using the product, stop immediately and consult with a qualified professional.

## Specific Safety Precautions for Use

- Always use a headspace gauge when setting up the full length sizing die to avoid potential safety hazards.
- Ensure that the die is securely attached to the reloading press before use.
- Do not attempt to modify or alter the dies in any way.
- Avoid using excessive force when sizing cartridges to prevent injury or damage to the product.
- Follow the manufacturer's instructions for the decapping assembly and expander ball to ensure safe operation.

## Instructions for Installation and Usage

### 1. Installation of the Die:

- Remove the die from its packaging and inspect it for any damage.
- Clean the die with a suitable solvent to remove any manufacturing residues.
- Securely mount the die into the reloading press according to the manufacturer's instructions.

### 2. Setup for Sizing:

- Use a headspace gauge to measure the cartridge case length before sizing.
- Adjust the die according to the gauge measurements to ensure proper sizing.

### 3. Sizing Process:

- Place the cartridge case into the shell holder of the reloading press.
- Slowly raise the ram to bring the cartridge case into contact with the die.
- Apply steady pressure until the sizing process is complete.
- Lower the ram and remove the sized cartridge case from the shell holder.

### 4. PostUsage Care:

- Clean the die after each use to maintain its performance and longevity.
- Store the dies in a dry, cool place away from direct sunlight.

## Disposal Instructions

- Dispose of any damaged or wornout dies in accordance with local regulations.
- Do not throw dies in regular household waste. Check with local authorities for proper disposal methods.

## Contact Information for Further Support

For any questions or concerns regarding the usage or safety of the FULL LENGTH SIZING DIES 6.5X55MM SWEDISH MAUSER, please refer to the manufacturer's website or contact their customer support for assistance.

## **Conclusion**

By following these safety guidelines and instructions, you can ensure a safe and effective experience with your FULL LENGTH SIZING DIES 6.5X55MM SWEDISH MAUSER. Always prioritize safety and consult professionals when in doubt. Thank you for choosing our product!
