Safety Instruction Guide for FULL LENGTH SIZING DIES 270 WSM

Introduction

Thank you for choosing the FULL LENGTH SIZING DIES 270 WSM. This product is designed to help you size the full length of your cartridge, ensuring optimal performance and safety during use. This guide provides essential safety instructions and guidelines to ensure that you use the product safely and effectively.

General Safety Guidelines

- Always read and understand the instructions before using the product.
- Ensure that the product is used in a wellventilated area.
- Keep the dies out of reach of children and pets.
- Inspect the dies for any signs of damage before use. Do not use if damaged.
- Wear appropriate personal protective equipment (PPE), such as safety glasses and gloves, when handling and using the dies.
- Store the dies in a dry place to prevent rust and corrosion.
- Do not modify the dies in any way, as this may compromise safety and performance.

Specific Safety Precautions for Use

- Ensure that the cartridge you are working with is compatible with the FULL LENGTH SIZING DIES 270 WSM.
- Always use a headspace gauge when setting up the sizing die to prevent improper sizing.
- Avoid direct contact with the expander ball and decapping assembly during operation to prevent injury.
- Do not exceed the recommended pressure limits when using the dies to avoid accidents.
- Be cautious of hot surfaces if the dies have been in use for an extended period.

Instructions for Installation and Usage

1. Installation

- Ensure that your reloading press is properly secured and stable.
- Remove the sizing die from its packaging and inspect it for any damage.
- Insert the die into the reloading press and tighten it securely according to the manufacturer's instructions.
- Attach the decapping assembly and expander ball as per the provided instructions.

2. Usage

- Begin by adjusting the die to the desired height using the headspace gauge.
- Insert the cartridge case into the die and ensure it is properly seated.
- Pull the handle of the reloading press smoothly to resize the cartridge.
- After resizing, carefully remove the cartridge case from the die.
- Inspect the resized cartridge for any defects before use.

Disposal Instructions

- Dispose of any damaged or unusable dies in accordance with local waste disposal regulations.
- Do not dispose of the dies in regular household waste if they contain hazardous materials.
- Consider recycling options for metal components where applicable.

Contact Information for Further Support

For any inquiries or concerns regarding the FULL LENGTH SIZING DIES 270 WSM, please refer to the manufacturer's contact information provided with your product.

Conclusion

By following the guidelines outlined in this safety instruction guide, you can ensure the safe and effective use of the FULL LENGTH SIZING DIES 270 WSM. Always prioritize safety and refer to this guide whenever you have questions about the proper handling and use of the product. Thank you for your attention to safety, and happy reloading!
