# FULL LENGTH DIE SETS 308 WINCHESTER Safety Instruction Guide

## Introduction

Thank you for choosing the FULL LENGTH DIE SETS 308 WINCHESTER by Redding. This guide provides essential safety instructions to ensure the safe use and handling of your die set. Please read this manual carefully before using the product.

## General Safety Guidelines

- Always use the die set in accordance with the manufacturer's instructions.
- Ensure that the working area is clean, dry, and welllit to prevent accidents.
- Keep the die set out of reach of children and unauthorized users.
- Wear appropriate safety gear, such as eye protection, when operating the die set.
- Store the die set in a secure location to prevent unauthorized access.
- Regularly inspect the die set for signs of wear or damage before use.
- Report any unsafe conditions or incidents to the appropriate authorities.

## Specific Safety Precautions for Use

- Ensure that the die set is compatible with the specific cartridge you are using (308 Winchester).
- Use only recommended lubricants and cleaning agents to avoid damaging the die set.
- Avoid placing your hands near the die or press during operation to prevent injury.
- Never attempt to modify or repair the die set unless instructed by the manufacturer.
- Follow all local laws and regulations regarding the use of reloading equipment.

## Instructions for Installation and Usage

### 1. Installation:

- Secure the die set into the reloading press according to the manufacturer's instructions.
- Ensure that the full length (FL) sizing die is properly aligned and tightened in the press.
- Insert the standard seating die and adjust as necessary for the desired bullet seating depth.

### 2. Usage:

- Always check the reloading manual for the correct load data and procedures.
- Begin by resizing the brass cases with the FL sizing die.
- After sizing, inspect each case for any defects or damages before proceeding.
- Use the standard seating die to seat the bullets to the specified depth.
- Ensure that the press operates smoothly and without obstruction during the reloading process.

## Disposal Instructions

- Dispose of any unused or damaged components of the die set in accordance with local regulations.
- Do not dispose of the die set in regular household waste.
- Contact local waste management authorities for guidance on proper disposal methods.

## Contact Information for Further Support

For any questions or concerns regarding the FULL LENGTH DIE SETS 308 WINCHESTER, please consult the

manufacturer's website or customer service for assistance.

Thank you for prioritizing safety while using your FULL LENGTH DIE SETS 308 WINCHESTER. Your adherence to these guidelines will help ensure a safe and enjoyable reloading experience.
