

# CASE NECK TURNER - RCBS CASE NECK TURNER

[Reloading](#) > [Case Preparation](#) > [Neck Turning](#) > [Neck Turning Tools](#)

RCBS offers two neck turner attachments that work with the Trim Pro Manual Case Trimmer. The neck turner attachments each have a cutter unit that supports the cartridge case neck with a caliber specific pilot/reamer (see chart) while cutting. The pilot/ reamer enables the user to turn both the inside and outside of the case neck simultaneously.

# Safety Instruction Guide for RCBS Case Neck Turner

## Introduction

Thank you for choosing the RCBS Case Neck Turner. This guide provides essential safety instructions to ensure the safe and effective use of the neck turner attachments with the Trim Pro Manual Case Trimmer. Please read and follow all instructions carefully to minimize risks and maximize your safety while using this product.

## General Safety Guidelines

- **Product Safety:** Always ensure safe use of the neck turner attachments. Familiarize yourself with the product and its components before use.
- **Enhanced Recalls:** Stay informed about any recall notices related to this product. If a recall occurs, follow the instructions provided for a remedy.
- **Online Shopping:** If purchased online, ensure that the seller complies with safety requirements similar to those of physical stores.
- **Special Consumer Focus:** Extra caution should be taken if children or vulnerable individuals are present during use.
- **EU Contact Point:** For safety inquiries, please refer to the manufacturer or seller for an EU-based contact.
- **Rapid Alerts:** Check the EU's Safety Gate platform regularly for updates on any unsafe products.

## Specific Safety Precautions for Use

- Always wear appropriate personal protective equipment, including safety glasses and gloves, when using the neck turner.
- Ensure the work area is clean, dry, and free from distractions to prevent accidents.
- Keep hands and other body parts away from the cutter unit while in operation.
- Do not exceed the recommended caliber specifications for the neck turner attachments.
- Inspect the neck turner and its components for any damage or wear before use. Do not use if damaged.
- Ensure that the cutter unit is securely attached to the Trim Pro Manual Case Trimmer before operation.
- Follow all manufacturer instructions for the proper handling and use of the product.
- If you experience any issues during use, stop immediately and consult the troubleshooting section of the manual.

## Instructions for Installation and Usage

### 1. Installation:

- Unpack the neck turner attachment and inspect for any damage.
- Attach the neck turner to the Trim Pro Manual Case Trimmer according to the manufacturer's instructions.
- Select the appropriate caliber-specific pilot/reamer and insert it into the cutter unit.
- Ensure that all components are securely fastened before proceeding.

### 2. Usage:

- Adjust the neck turner to the desired depth of cut.
- Insert the cartridge case neck into the pilot/reamer.
- Slowly operate the Trim Pro Manual Case Trimmer to begin turning the neck of the cartridge case.
- Monitor the process closely, ensuring that the cutter unit is functioning smoothly.
- After use, turn off the trimmer and carefully remove the cartridge case.

## **Disposal Instructions**

- Dispose of any damaged or worn components in accordance with local regulations.
- Do not dispose of the product in regular household waste. Check for recycling programs available in your area.
- Ensure that the product is completely disassembled if required by local disposal regulations.

## **Contact Information for Further Support**

For any inquiries or support regarding the RCBS Case Neck Turner, please refer to the manufacturer's website or the retailer from whom you purchased the product. They will provide the necessary assistance and information.

By following these safety instructions, you can ensure a safer experience while using the RCBS Case Neck Turner. Always prioritize safety and consult this guide whenever necessary. Thank you for your attention to these important safety guidelines.
